

Wood Cabana Low Loft Bed

Assembly Instructions

Product Dimensions:
83" L x 57" D x 69" H

Please take a moment to read through the entire instruction booklet before assembly to familiarize yourself with this product. Once you feel ready to start, follow the instructions step by step and this should make this process as easy as we could make it for you.

WARNING CAUTION

ADULT ASSEMBLY REQUIRED

CHOKING HAZARD

- This product includes small parts, sharp points and sharp edges in its unassembled state. Keep unassembled parts away from children under 3 years of age, and animals.

STRANGULATION HAZARD

- Never attach or hang items to any part of the loft bed that are not designed for use with the bed; for example, but not limited to hooks, belts, and jump ropes.

SIZE OF MATTRESS

- A twin size mattress of 75" Length x 39" Width x 8 Inch Thickness (190.5 x 96.5 x 12.7 cm) is recommended. Surface of mattress must be at least 5 inches (12.7 cm) below upper edge of guardrails. Maximum mattress and foundation combined thickness of 8 inches (20.3 cm).

SAFETY WARNINGS

- Follow the information on the warnings appearing on the cabana bed end structure and on the carton. Do not remove warning label from cabana bed.
- Always use the recommended size mattresses or mattress supports, or both, to help prevent the likelihood of entrapment or falls.
- Surface of mattress must be at least 5 inches (127 mm) below upper edge of guardrails.
- Do not allow children under 3 years of age to use the cabana bed.
- Do not use substitute parts. Contact the manufacturer or dealer for replacement parts.
- Use of a night light may provide added safety precaution for a child using the cabana bed.
- Always use guardrails on both long sides of the cabana bed. If the loft bed will be placed next to the wall, the guardrail that runs the full length of the bed should be placed against the wall to prevent entrapment between the bed and wall.
- The use of water or sleep flotation mattresses is prohibited.

PARENTAL SUPERVISION IS REQUIRED

- This Naomi Home Kids product is intended for child use age 3+.
- Parents or Guardians should supervise use under the intended age specifically regarding children that may have access to it and climb on the unit.
- Do not allow horseplay on or under the bed and prohibit jumping on the bed.
- If used improperly, your low loft bed may be pulled over or fall, creating risk of injury or damage. Children should not be permitted to climb or pull on the cabana bed.
- Always use the ladder for entering or exiting the cabana bed.

USE, MAINTENANCE & ASSEMBLY

- Periodically check and ensure that the guardrail, ladder, and other components are in their proper position, free from damage, and that all connectors are tight.
- Use on level surfaces only. Assemble on a soft level surface to avoid damage to unit or floor.
- Do not use this item if any components are missing or damaged.
- Do not use substitute parts. Contact the manufacturer or dealer for replacement parts.
- Only clean using damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- Check you have all components and tools listed on page 4
- Do not stand or put weight on this product during assembly, this could cause damage.
- Remove all hardware from the plastic bags and separate them into groups.
- Assemble the item as close to its final position (in the same room) as possible.
- Certain assembly steps may be easier with 2 people.
- Dispose of all packaging carefully and responsibly.
- We do not recommend power screwdrivers. Only use hand screwdrivers to prevent damage to unit.
