PRODUCT DESCRIPTION

Full foam compression filling. Delivers even, plush, and resilient support for a firm yet comfortable seat that resists sagging, ensuring lasting relaxation.

Includes an engineered wood storage cabinet that can be flexibly placed behind the armless seat as back table, cleverly concealing clutter for "invisible storage" in the living room, maintaining a tidy and aesthetic space.

Suits multiple living scenarios. Suitable for daily family gatherings for movie nights, while its unique round chaise and modularity are also ideal for socializing with friends or solitary reading and napping.

Oversized dimensions. Spacious seats with ample depth, combined with full foam filling, offer an immersive and cozy reclining experience. The round chaise provides a unique sense of envelopment.

Strong style-defining power. Its simple silhouette, warm colored fabric, and warm wooden background together define the space's tone, harmoniously blending into various popular styles like modern minimalist, Japandi, and wabi-sabi.

HARDWARE

TOOL LIST

NOTE: Designated with (★) We provide additional spare parts in the hardware package

⑧*36

★ Bolt
M6*30mm

⑨*1

Allen key

Please make sure all hardware&packing material fitting the list.
Especially some small accessories may be missing during transportation. Please contact us if you have any question.

step 1 ---Cut the plastic air compression bags

Cut the plastic air compression bags, and take out the cushion (F&F1). Let it recover to its original shape, the whole recovery process might take **72** hours, you may gently slap on it to speed up the process.

Please exercise caution when opening the packaging to avoid injury or damage to the product.

Use care when opening the bag to avoid injury from sudden expansion. Keep away from face and body while cutting.

step 2 ---Assemble the Outer Frame

As shown in the diagram, connect the Curved Rails (AB, BC, CD) and the Straight Rail (DE) to form the shape of the sofa base.

Note: Pay attention to the labels on the parts to ensure they are connected in the correct order.

step 3 ---Install the Legs

Use Screws (8) and the Allen Key (9) to attach the legs to the frame.

step 4 ---Assemble the Outer Frame

Install the Metal Crossbars (marked Z1, Z2, Z3, Z4, Z5, Z6, Z7) into their corresponding positions on the frame frame. Use Screws (8) and the Allen Key (9) to secure them.

Notice:

We suggest tightening the bolts for 30-50% first, make sure the process is correct and bolt holes are aligned, then fully tightening them all.

step 5 ---Install Wooden Support Bar (H)

Install the Wooden Support Bar (H) across the frame using Screws (8) and the Allen Key (9).

Notice:

We suggest tightening the bolts for 30-50% first, make sure the process is correct and bolt holes are aligned, then fully tightening them all.

step 6 ---Position the Sofa Body (F)

Place the Curved Sofa Body (F) onto the fully assembled metal frame.

step 7 ---Secure the Cushion Straps

As shown in the diagram, gently flip or tilt the sofa to access the bottom. Locate the fabric straps on the underside of the cushion and tie them securely to the metal frame structure.

step 8 ---Place the back cushion (F1)

Then place the back cushion (F1) on it.

step 9---Assemble complete

Place the sofa properly and tidy it up to make it look nice.
Assembly is complete. Thank you for choosing our product!
Please enjoy!

step 10 ---The combination display of sofas

Various sofa modules are displayed together.
