

Tenor Tree

FreenotesHarmonyPark.com | 833.262.1569

A musical forest comes alive with the Tenor Tree. Ringing the green aluminum leaves create bright, sustaining tones with a range of 12 notes divided into three harmonically pleasing chords. The intentionally-designed finish of the aluminum creates a natural leaf appearance that offers an aesthetic color contrast with the brown tree trunk. Three mallets are conveniently placed so 1-3 users can enjoy creating music together.

The Tenor Tree is played
in the key of C major.
