4. Some key parts of our product may be stored and hidden inside of other parts. Please open any zippered or hook & loop storage compartments to take out all parts.
5. Please do not open the compressed packages until your sofa frame is completely assembled.
6. As the cushions are all vacuum compressed, there will be some wrinkles. Please give them up to 72 hours to reach its original size and the wrinkles will basically disappear.
7. DO NOT INSTALL THE SCREWS ALL THE WAY IN THE BEGINNING. Place each screw into their proper hole and use your hand to twist the screw halfway.
