BLUE DE SAVOIE

Quarried in the French Alps, Blue de Savoie is a coveted marble celebrated since Roman times for its dramatic color variation, cloudy blue-gray tones, and extraordinary durability. Available with a honed or polished finish, these Italian-made, large-format marble tiles adds a dynamic look. Its unique crystalline structure enhances depth and strength, making it suitable for high-traffic areas on walls and floors. Sourced exclusively from a single quarry in limited quantities, this rare stone offers refined beauty and lasting performance.
