

# WINDTUNNEL MAX CAPACITY

- Multi-floor performance to get an optimal clean on any floor type
- Above floor tool kit for tackling dirt and pet hair on furniture, stairs, upholstery and more
- Multi-cyclonic filtration captures dirt, dust and pet hair with No Loss of Suction

The HOOVER® WindTunnel™ Max Capacity is equipped with everything you need for a heavy duty clean from floor to ceiling. Confidently power through messes on any floor type, then use the above floor tools and extension wand to get into tight, hard-to-reach places with ease.

## Features

- Multi-Floor Performance: ScatterGuard Technology and 5 Height Adjustments let you easily get an optimal clean on any floor type without scatter
- 12 ft. Extended Reach: Includes an extension wand for cleaning up high and in hard-to-reach places
- Above Floor Tool Kit: Includes a crevice tool, dusting brush and a multi-purpose tool for tackling dirt and pet hair on furniture, stairs, upholstery and more
- XL capacity dirt cup lets you clean longer before needing to empty
- Multi-Cyclonic Filtration: captures dirt, dust and pet hair with No Loss of Suction

## Includes

- Upright Vacuum
- Extension Wand
- Multi-Purpose Tool
- Dusting Brush
- Crevice Tool
