Base Type: E12

Light Source Included: No

Voltage: 120VAC

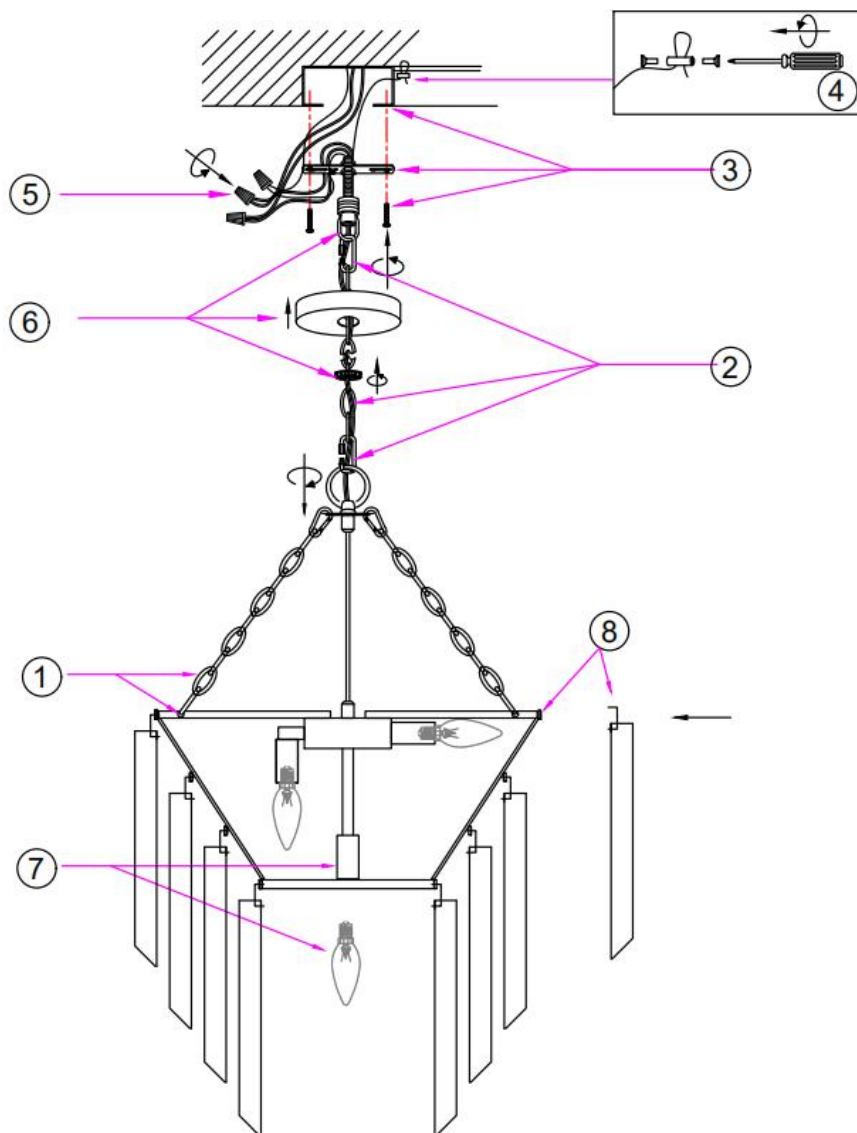

Wattage: 60W

Package includes

1 x Chandelier

1 x Accessory Pack

1 x User's Manual

Installation Instructions

1. Use the quick links to attach the four side chains to the fixture body and the metal ring frame assembly.
2. Adjust the main chain to the desired length. Feed the fixture wire through the chain, collar loop, and canopy, then secure the chain to the fixture using the locking clasp.
3. Attach the mounting plate to the ceiling junction box and secure it firmly with screws.
4. Wrap the safety steel cable around the ceiling support beam, then tighten and secure the cable using the provided screws.
5. Thread the fixture wire through the collar loop and mounting plate. Connect the supply wires to the fixture wires using wire connectors (live to live, neutral to neutral, and ground wire to the grounding screw).
6. Secure the canopy to the mounting plate using the collar ring.
7. Install the light bulbs (bulbs not included).
8. Hang the decorative glass tubes onto the metal ring frame of the fixture (note: begin with the smaller lower ring).
9. Restore power and confirm that the fixture is operating properly.

Note: Please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
