Notes

1. Please check the size carefully before ordering.
2. Please note that solid alcohol is not included in the product, you need to buy it by yourself.
3. The high borosilicate glass is high-temperature and low-temperature resistant and can be used in the oven, microwave, steamer, refrigerator, and dishwasher.
4. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
