HardwareList			
Item	Description	Part	Qty Pcs
1	Bolt		13
2	Spacer		8

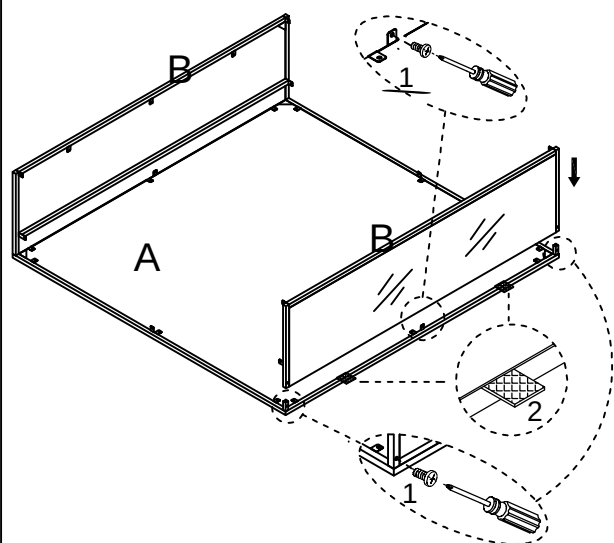

- 1、 Please check all items against the product list to ensure nothing is missing. Contact us at any time if any parts are not included.
- 2、 Before installation, place the packing foam from the box or prepare a thick cushion on the floor to protect the mirrored surface from scratches.

STEP 1 Before placing the Front an side panels,place 2 Spacer to separate them from the Topframe

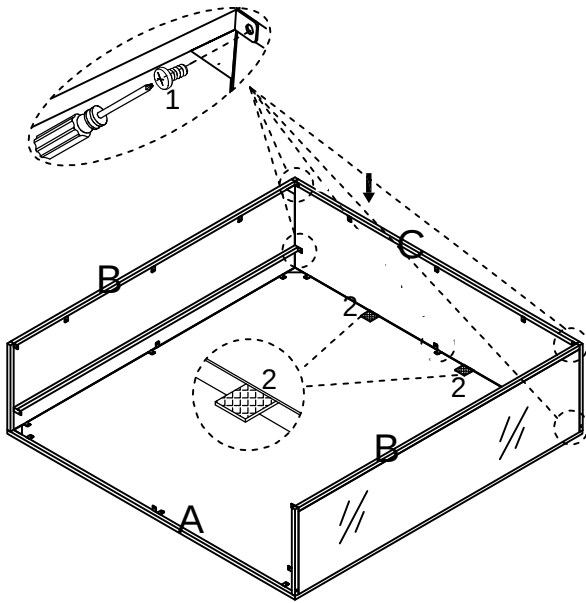

Place EPS or blankets underneath the product to prevent damage to the mirror surace

STEP 2 Firstinstall both B Panels

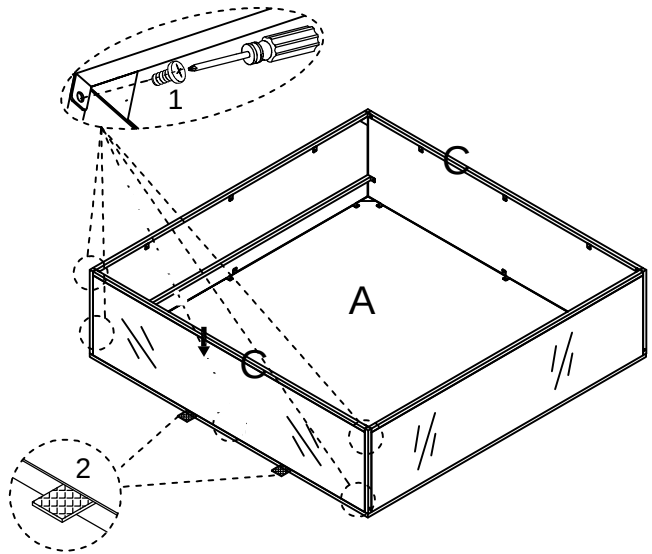

Reversing steps will prevent proper assembly

STEP 3 THEN install C Panel

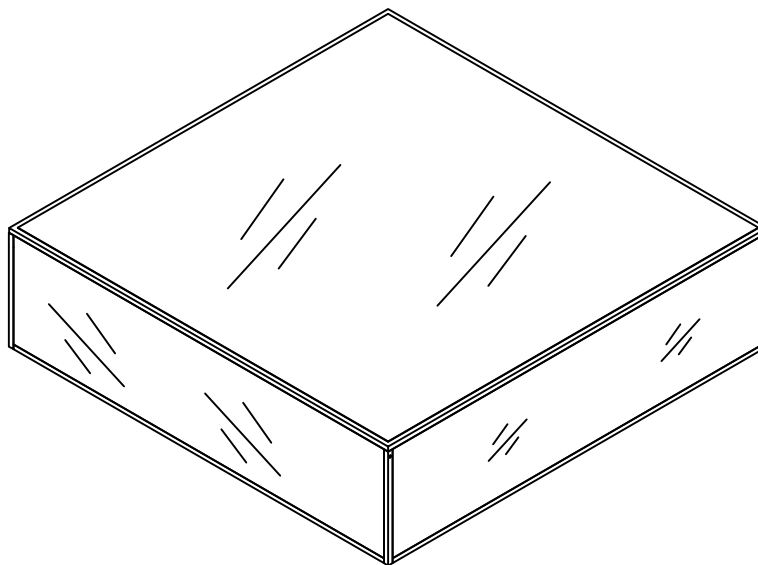

First, install the bolt on the fixed outer iron frame, and then tighten the bolt on the short side plate

STEP 4

After installing all the panel, all the Spacer need to be removed

STEP 5

Two people work together to lift the top and slowly flip it over
