# SHOWERS BATHS

*Our collections blend everyday function with beautiful forms and materials*

**800-766-2452**  
[www.transolid.com](http://www.transolid.com)

## Our Collections

### solid surface shower/bath

#### Direct to Stud

Showers work well in both new and existing construction. Walls install directly on studs, no drywall needed.

#### Remodel

Showers & Tub Walls work well in existing construction. Walls are glued right over old tile or wall board, no messy removing existing tile.

#### Decor

Showers & Tub Walls have the look and soft-feel of solid surface. The solid surface material provides beauty, durability and easy-clean design at an affordable price. Decor works well in existing construction.

#### Custom

Custom showers, tub walls and decks allow you to get a custom size width and height. Combine these with our standard or custom bases. Quick Ship - 10 day turnaround.

Direct to Stud	<b>3-9</b>
Remodel	<b>10-17</b>
Decor	<b>18-23</b>
Custom	<b>28-29</b>

### shower bases

Transolid® offers a complete range of solid surface shower bases for residential, commercial and custom applications.

Slim	<b>25</b>
Decor	<b>26-27</b>

### bathtubs

Transolid® 100% Solid Surface freestanding and drop-in bathtubs in sizes 60" to 72". Our bathtub shapes complement all design styles.

Bathtubs	<b>30-31</b>

W60" x D30", 32" & 36" x H80"

**direct to stud** SHOWER COLLECTION  
new and existing construction

# direct to stud

## 48"

Shower Walls  
shown with optional  
Base and LED  
lighted Dome Top.  
Almond Sky 96  
W48" x D34" x H83"

Smooth, easy-to-clean tile look without the maintenance of grout.

80" high walls so the shower head is installed in the wall - not above for easy clean design.

4 shelves provide convenient storage for shampoos, soaps & accessories.

Marine grade plywood installed at the front edges for solid, secure connections of a shower door.

Install directly on studs, no drywall needed.

An optional LED lighted dome top slides easily in place atop the walls.

Walls have an aluminum honeycomb backer for strength and support.

Tile design is created with solid surface sanded flush to the surface. All the beauty of tile without the maintenance of grout.

# 36"

Shower Walls shown with optional Base. White Carrara **91** W36" x D36" x H83"

Matching Transolid Vanity Tops to coordinate with all showers. See **VANITY TOPS** brochure

## Installation

**Aluminum Channel Joints** for easy installation

**Super tough Aluminum Honeycomb Backer** provides strength and structure

**Strong 2-layer construction**

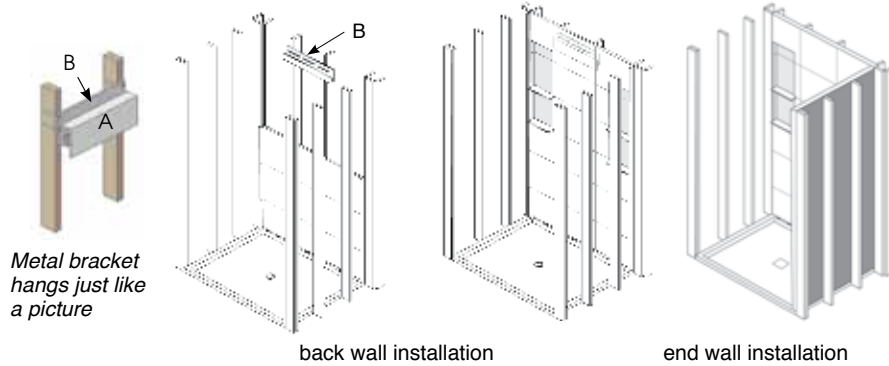

1/4" thick solid surface for beauty and smooth bacteria free surface

1 1/4" thick aluminum honeycomb backer

## Glues directly to studs

Shower back wall can be installed with aluminum hanging rail provided. Back wall is either screwed to the studs or hung on the wall with adhesive. End walls are glued directly to studs with included adhesive.

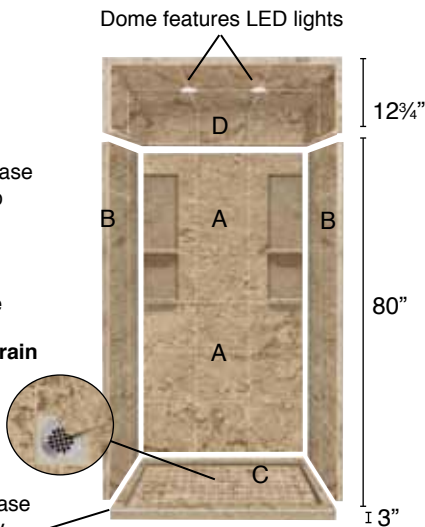

## Shower Components & Features

- A. Back Wall
- B. End Wall
- C. Shower Base
- D. Dome Top

Shower Base features **concealed drain** with color-matched lift-off drain cover.

Low profile base for easy entry

## Wall Shelves

4 Wall Shelves on back wall add convenient storage for soap, shampoos and accessories.

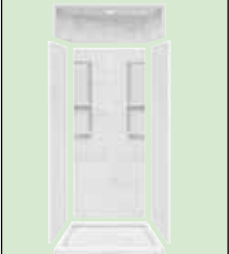

## Long Shower Arm

8" chrome shower arm is included. This allows the shower head to be installed in the shower wall instead of in the drywall above as happens with other units. This creates a much cleaner sanitary environment compared to conventional 72" high units. Satin and Oil Rubbed Bronze finish also available. See accessories for ordering.

## Features

décor

### Shower & Tub Walls

All of our walls have been designed to fit the most popular sizes and styles of today's showers and tubs, and can be customized to fit those with unique dimensions. Décor solid surface resists stains, scratches and mildew.

#### Finish Trim Kit

Designed to fit along the top of the wall panels and down the outer sides to the shower base for a more decorative, finished appearance. Finish Trim pieces are included in Décor Shower Wall Kits and Tub Wall Kits.

#### Corner Moulding

Designed to hide the corner joints, providing a clean and attractive appearance. Corner Moulding pieces are included in Transolid Décor Shower Wall Kits and Tub Wall Kits.

#### Shower Base

Transolid Décor shower bases come in 8 designs to fit today's popular shower styles and sizes.

Transolid Décor shower bases are made from a 2-step molding process of renewable solid surface exterior over a reinforced polymer-based substrate for more strength and lighter weight. Shower bases have a ribbed construction underneath to provide increased durability and won't flex or sag.

#### Corner Seat

Décor offers a complete line of accessories. These optional accessories can be added to any wall kit.

#### Shelves

Décor offers 5 different shelf and caddy options ranging from a single corner shelf to recessed shampoo caddies.

Cross-Section of Shower Base

F4834	W48" x D34" x H3"
F6036	W60" x D36" x H3"

### Retrofit Tub Shower with LH or RH Drain

Replace a bathtub with a shower base without moving existing plumbing.

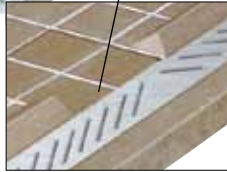

Order by drain location.

Model	Size
F6030L/R	W60" x D30" x H3"
F6032L/R	W60" x D32" x H3"
FW6032L/R	W60" x D32" x H3" walk-in

Solid Surface material is easy to clean and doesn't support bacteria growth.

## solid surface barrier free slim bases

### TRENCH DRAIN

Transolid® solid surface barrier free shower base with trench drain. 1/2" solid surface water retainer greatly improves the trench drain performance by directing majority of water to central drain. Any fugitive water is easily corralled with the trench drain.

Center drain location. Colors: 01,86,91,94,96

#### Single Threshold

Model	Size
FG3938	W39½" x D37¾" x H3"
FG6338	W63½" x D37¾" x H3"

### COLLAPSIBLE THRESHOLD

Transolid® solid surface barrier free shower base with collapsible threshold allows for roll-in entry with a collapsible bumper that protects the rest of the bathroom by containing water inside the shower.

The 1" bumper collapses which allows for wheelchair access onto base. Concealed drain with removable cover for easy cleaning. Center drain location.

Colors: 01,86,91,94,96

#### Single Threshold

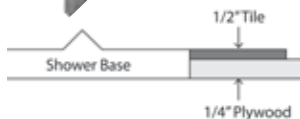

Model	Size
FC3938	W39½" x D37¾" x H3"
FC6338	W63½" x D37¾" x H3"

### ZERO THRESHOLD

Transolid® solid surface barrier free shower base with zero threshold allows for roll-in entry. Solid surface water retainer directs water to the drain and contains water inside shower. 1¾" flat area in front of water retainer accommodates a shower door. 3/4" slim front edge provides flush mounting level with bathroom floor. Concealed end drain.

#### Single Threshold

Model	Size
FW6032L/R	W60" x D32" x H3"

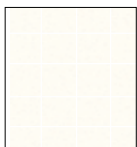

100% Solid Surface material all the way through. 10 year warranty

Transolid® custom solid surface shower walls allows you to get a custom size width and height in 3 Natural Selections® or 5 Classic colors. Available in widths up to 72" and heights up to 96". Combine with any of our standard Slimline bases or a custom base. Quick Ship - 10 day turnaround.

Optional Accessories like a Decorative Inlay Border available in 4 patterns adds a stylish design element. Choose a Wall Pocket for convenient storage. Add comfort to your showering experience with a Bench Seat available in 2 depths 12" and 18" by any length.

Panels can be ordered pre-seamed in large widths or can be ordered in widths of 36" or less at a more economical cost and joined with a batten molding. Maximum panel size 60" x 96".

Custom rectangular, neo-angle, curved, or round style bases with 4" threshold or optional roll-in threshold available in sizes and configurations to fit individual needs. Transolid® custom bases feature a linear drain with solid surface inlay cover. Stainless steel drain connects with a flexible coupling to 2" pipe.

Terra Bella **TB**

Ideal installation in both new and existing construction.

Custom Tub Decks are available in widths up to 96" in 3 Natural Selections® or 5 Classic colors listed below. Add front and end skirt panels to further enhance your bathroom design.

Combine a custom tub deck with Transolid® solid surface tub walls for a coordinated look.

Custom wall kits include trim molding, flat corner molding, top bullnose molding, installation adhesive and silicone sealant. Finish Trim gives your shower or tub a finished look.

Our easy-to-use worksheet order forms make it easy to get the right custom shower or tub deck for your needs.

Transolid®  
 bathtubs shapes  
 complement all  
 design elements.  
 Select the model  
 that works best  
 with your style.

Bathtubs are  
 made of artificial  
 stone material.

Artificial stone is  
 smooth, luxurious  
 and attractive. It  
 doesn't support  
 bacteria growth.

Transolid® bath-  
 tubs have a soft  
 velvet finish and  
 are stocked in  
 white. Black or  
 biscuit colors  
 are available on  
 special order.

Coordinate your  
 bathroom design  
 by adding a  
 Transolid Shower  
 and Vanity Top.
