

Olive tree Assembly Instructions

Step 1: Open the box, untie the rope on the plant, and take the plant out of the box.

Step 2: Put the plants together and put the top and bottom posts with corresponding marks together (PS: Be careful not to get scratched)

Step 3: Adjust branches, and fluff up trunk and leaves to desired fullness.

Step 4: Install the flower pot cover onto the flower pot according to the corresponding holes. Install the plant into the corresponding hole on the flower pot.

Step 5: You can buy moss according to your personal preference and spread it evenly on the flower pot to increase the beauty of the plant.
Note: The package does not contain moss grass.

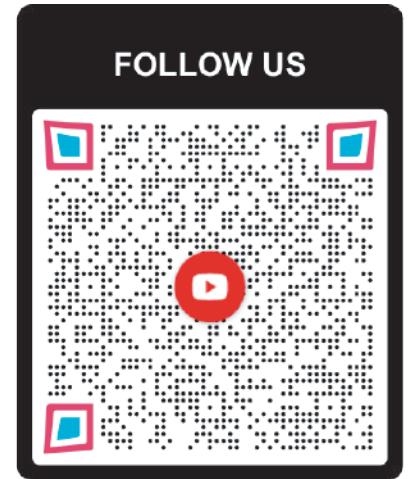

Step 6: Decorate any space with this beautiful tree. (Tips: If you are worried about the plant falling over, you can add sand or stones into the flowerpot to improve the overall stability of the plant. **Note: Sand and stones are not included in the package.**)

Care Instructions

1. For small leaves, use a feather duster.
2. For large leaves, wipe with a soft cloth.
3. Do not clean or handle roughly.

The leaves are manually inserted into the corresponding holes. If the leaves fall off due to improper storage, please find the joints on the branches and insert them.
