Installation instructions

o Helpful Tips : This is straightforward, even if you're not experienced with tools. Just follow the 5 steps, and you'll see great results.

Step 1:

Determine the distance the sawtooth by using a measuring tool.

Step 2:

Create hole at the location you marked previously using a drill.

Step 3

Tap the wall plug into the hole using a hammer.

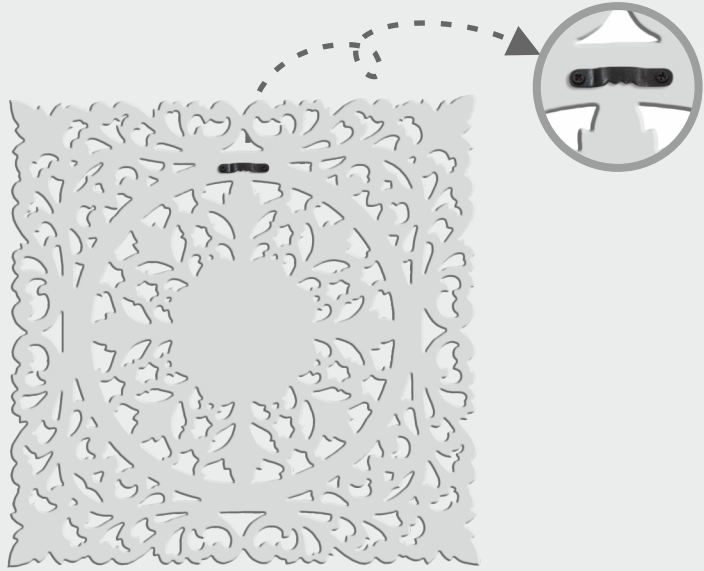

Step 4:

Fasten the screw into the wall plug and use a screwdriver to ensure they are tightly secured.

Step 5:

Position the sawtooth on top of the screw.

“ There you go! Your medallion has been installed and is now firmly secured! ”
