or failure to use as directed may result in injury. Not intended for commercial use.

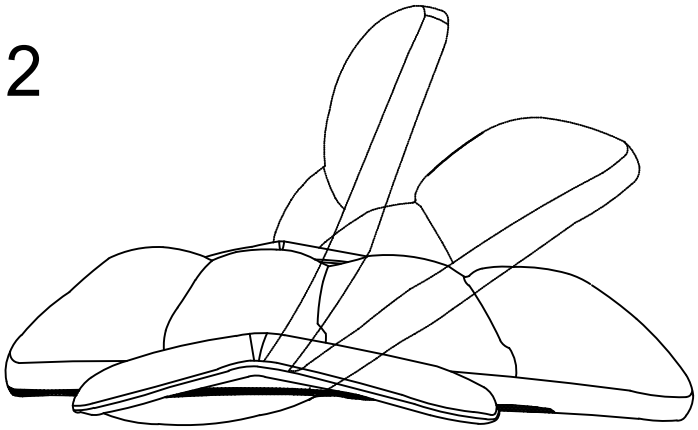

CARE&MAINTENANCE:
Our products are engineered for ease of use and care. Always use furniture only in the manner that it is designed and intended for.General Care Tips: Many items can be maintained regularly by simply wiping with a soft dry cloth to remove dust. To protect your furniture, avoid placing it in direct sunlight or too close to heat sources. Do not place hot items directly onto furniture as they can damage the finish. Use felt pads or other protective layers such as coasters when placing any items on finished surfaces. If spills occur, wipe immediately with a soft damp cloth or spot treat. Make sure to wipe dry after cleaning to avoid water spots.
Do not use harsh chemicals or abrasives as they can damage surface areas.
