Skirting boards must be fitted before the Furniture is fixed to the wall.

Les plinthes doivent être placées avant que le meuble soit fixé au mur.

Los rodapiés deben ser instalados antes de fijar el mueble a la pared.

Os rodapés devem ser encaixados antes do Móvel ser fixado na parede.

10

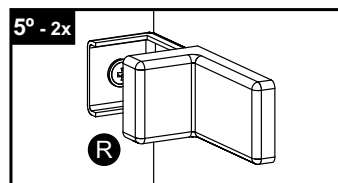

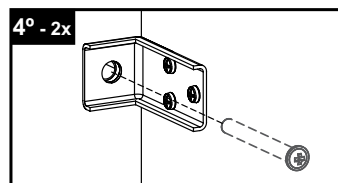

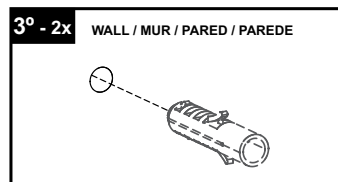

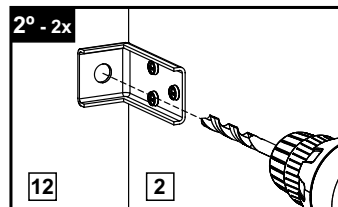

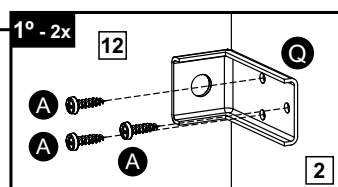

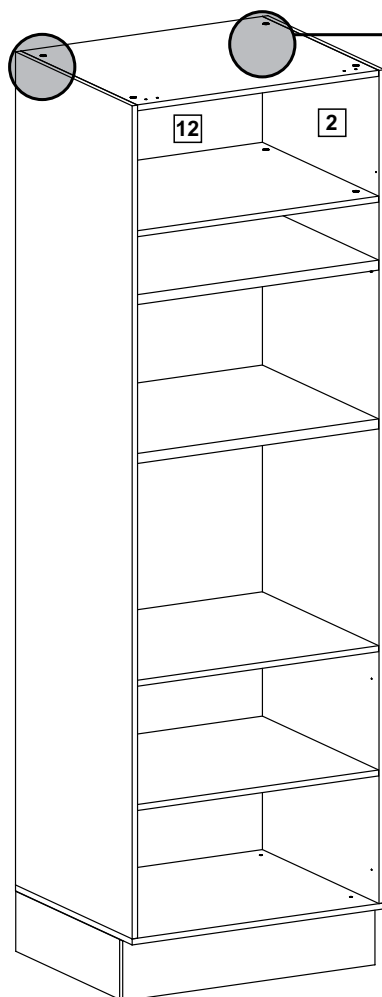

ATTENTION - ATTENTION - ATENCIÓN - ATENÇÃO

As wall materials could vary from each house, screws for wall mounting/fixation are not included. The correct type of fixing for your wall must be used. If you are not sure which ones, ask for a professional help.

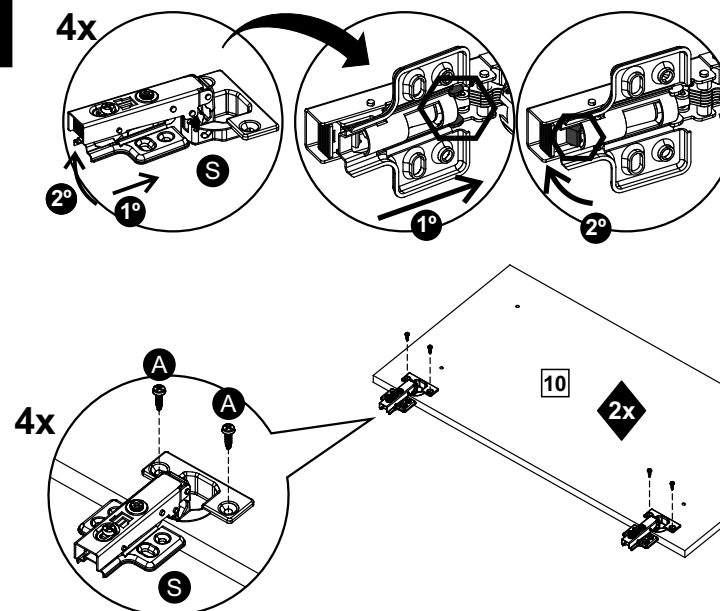

Comme les murs ne sont pas tous construits avec des matériaux pareils, les chevilles et les vis pour fixer le meuble au mur ne sont pas incluses dans l'emballage. Il convient d'utiliser le type de fixation adapté à votre mur. En cas de doutes, demandez l'aide d'un professionnel.

Como los materiales de las paredes varían, los taquetes y tornillos para fijar los muebles a la pared no están incluidos. Se debe utilizar el tipo correcto de fijación para su pared. En caso de duda, busque ayuda de un profesional.

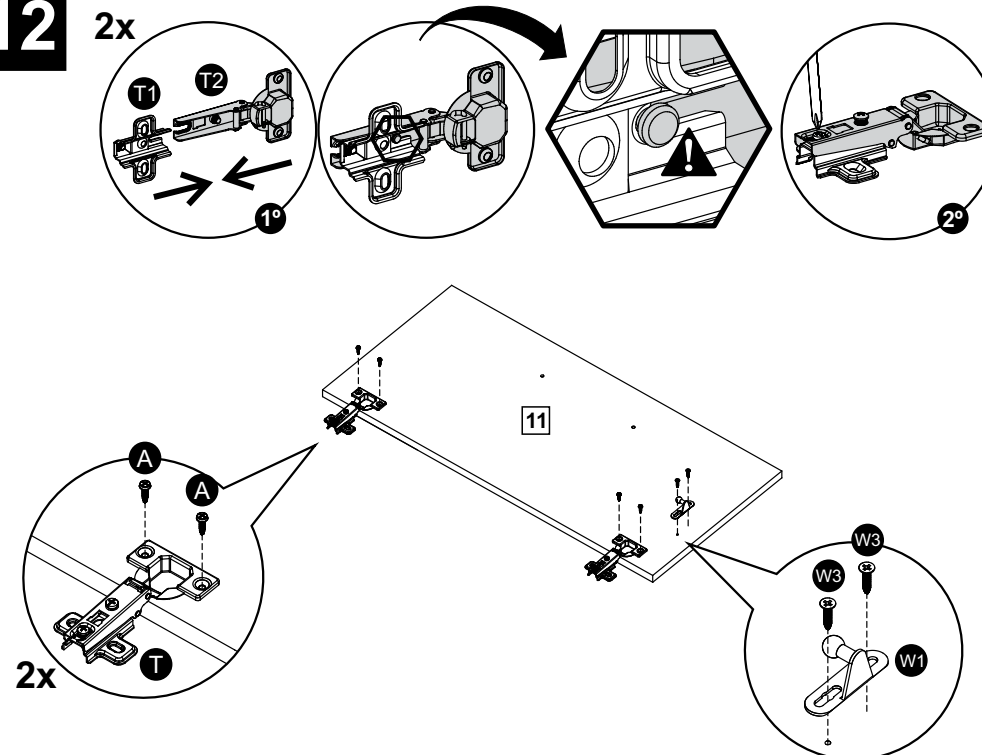

Como os materiais das paredes variam, buchas e parafusos para fixação do móvel na parede não estão incluídos. Deve ser utilizado o tipo de fixação correto para a sua parede. Em caso de dúvidas, procure ajuda de um profissional.

Diagram 10 illustrates the step of attaching the cabinet doors. The main drawing shows a cabinet with two doors, each labeled with a box containing the number 7. Dashed lines indicate the attachment points for hinges. A circular inset provides a detailed view of a hinge being attached to a door. Two screws, labeled 'A' in circles, are shown being inserted into the hinge. A third circle labeled 'O' points to the hinge's mounting plate. Below the inset, the text '4x' indicates that four such hinges are required for the assembly.

Diagram 12 illustrates the process of attaching the cabinet door. The main diagram shows a cabinet frame with two doors, each labeled with a box containing the number '7'. The right door is open, revealing hinges and a handle. A callout circle provides a detailed view of the door's edge, showing four screws labeled 'B' and two screws labeled 'P' being inserted into the door's profile.
