

Alina II Floor Clock 615151

Features a mirrored dial with a LED illuminated center column and a wood base with a chrome finished top plate.

Gloss White finish on select hardwoods and veneers.

Mirrored dial features hour bar markers and a center disc screened black with the black finished minute and hour hands.

Polished chrome-finished pendulum with a cylindrical bob.

Center column LED light illuminates with a touch dimmer button located on the back. Four levels of adjustment: low, medium, high, and off. The LED light features a frosted acrylic lens with chrome finished metal end caps. The power adapter that plugs in at the base to power the LED lights includes an inline ON/OFF switch.

Time only, quartz battery operated movement.

Requires one AA-sized battery and two C-sized batteries (not included).

Floor glides provide stability and protection on non-carpeted surfaces.
