

Safety Instructions:

- * These instructions are provided for your safety. It is very important that they are read completely before beginning the installation of your fixture.
- * If any special control devices are used with this fixture, follow the instructions carefully to assure full compliance with N.E.C. requirements. If you have questions, contact us
- * WE STRONGLY RECOMMEND INSTALLATION BY A LICENSED ELECTRICIAN.

Assembly Instructions

- *Please disconnect the power supply until you finish the installation.
1. Connect the lamp wire to the power supply according to the wire color with the wire nut
 2. Assemble the light fixture to the ceiling junction box with the screws.
 3. Align the lampshade bayonet, rotate the lampshade clockwise and fix it on the lamp body
 4. Connected the power supply and test the light fixture.
