Lunging Lily, the Demonic Zombie Girl, used to be a sweet, ordinary little girl until one morning, she woke up infected, uttering strange demonic curses. Doomed to live out her life in an asylum, she roams the halls clutching her stuffed bear and crying out for her mother. Her mouth moves as she desperately pleads for help, then suddenly, she lunges forward with soulless glowing eyes, and her bloody jaw tremors. Finally, she slowly retracts back until her next meltdown. Producing the ultimate jump-scare, this terrifying child will give your most stoic visitor nightmares.
