

Installation & Assembly

B  30mm*2

 *2

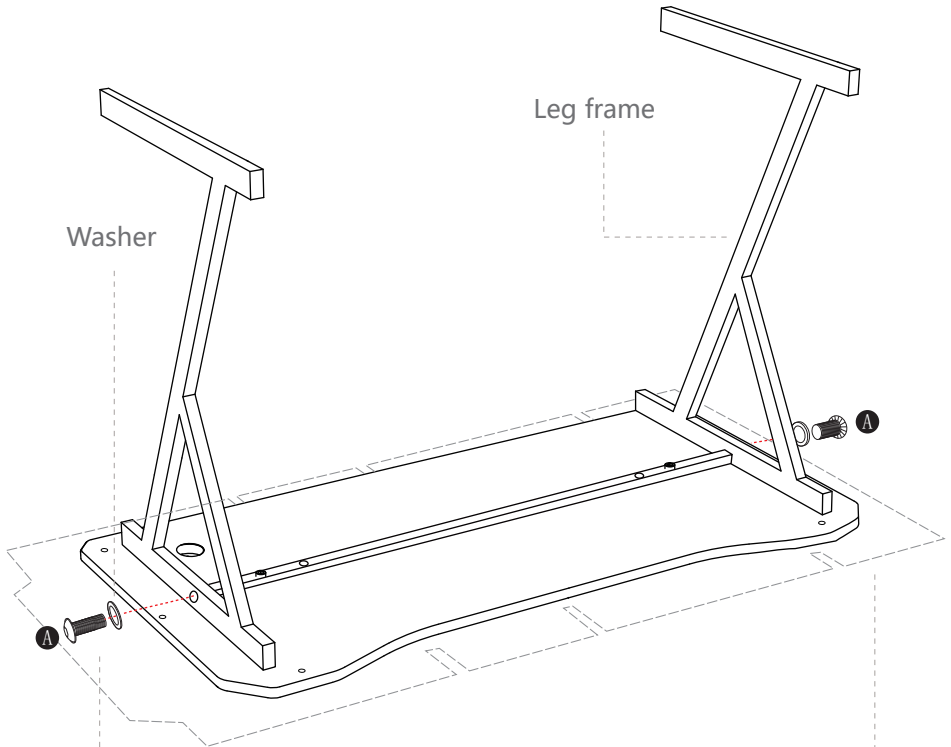

Attach the metal rod to the top desktop.

35mm*2

*2

Washer

Leg frame

Bolt (35mm)

※ Please leave it a bit loose during installation.

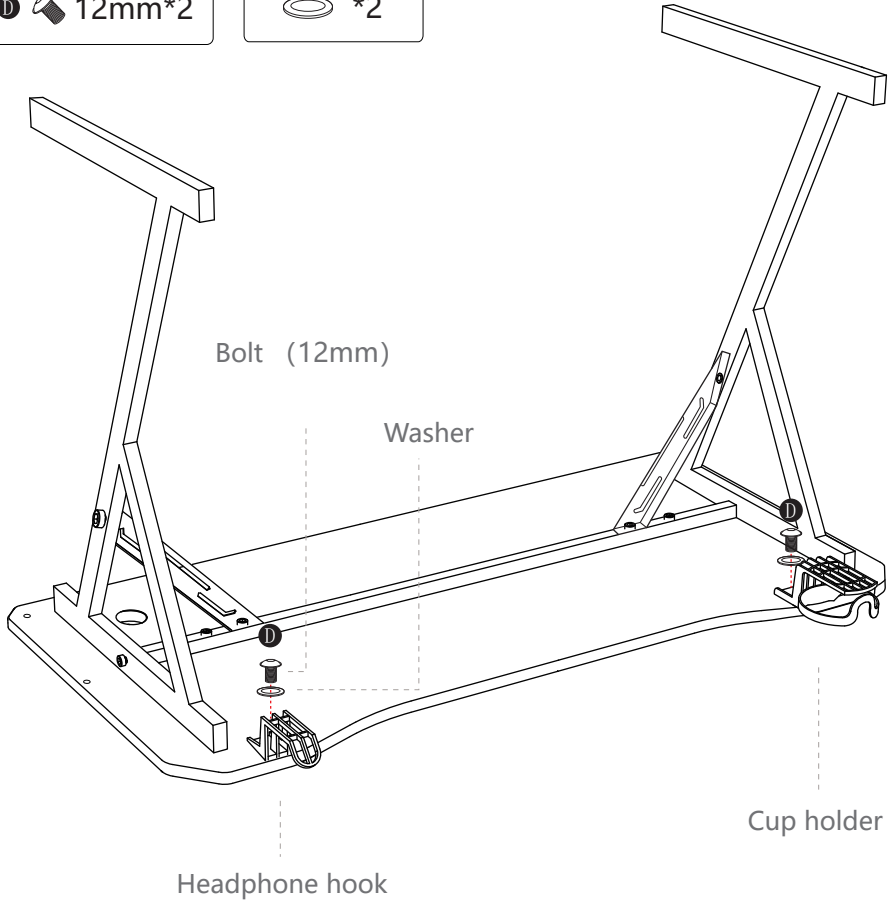

You can lay the packaging box flat on the ground to use as padding, preventing direct contact between the desktop and the floor, which could cause wear.

⚠ Please do not tighten the screws too much during assembly. Be especially careful not to fully tighten all the screws until they are all in place.

①  12mm*2

 *2

Install the cup holder and headphone hook.

Install the foot pads.

B  30mm*2

 *2

Befestigen Sie die Metallstange
an der Tischplatten.

  35mm*2

 *2

Bolzen (35mm)

※ Bitte lassen Sie es im montierten Zustand ein wenig locker.

Sie können den Karton flach auf den Boden legen und als Unterlage verwenden, um zu verhindern, dass die Tischplatte direkt mit dem Boden in Kontakt kommt und dadurch beschädigt wird.

Bitte ziehen Sie die Schrauben während der Montage nicht zu fest an. Achten Sie besonders darauf, alle Schrauben nicht festzuziehen, bis sie an ihrem Platz sind.

①  12mm*2

 *2

Befestigen Sie den Becherhalter und den Kopfhörerstand.

Montieren Sie die FüÙe.

B  30mm*2

 *2

Fissare l'asta di metallo alla piani del tavolo.

  35mm*2

 *2

Rondella

Telaio delle gambe

Bullone (35mm)

※ Per favore, lascio un po' allentato durante l'installazione.

Può stendere il cartone dell'imballaggio sul pavimento e usarlo come tappetino per evitare che il piano del tavolo entri in contatto diretto con il pavimento e si danneggi.

B  30mm*2

D  12mm*2

 *4

 *2

Si prega di non stringere troppo le viti durante il montaggio.
Prestare particolare attenzione a non stringere completamente tutte le viti finché non sono tutte in posizione.

①  12mm*2

 *2

Installare il Porta bicchieri e gancio per cuffie.

Installare i piedini.

B  30mm*2

 *2

  35mm*2

 *2

Rondelle

Cadre des jambes

Boulon (35mm)

※ Veuillez le laisser un peu lâche lors de l'installation.

Vous pouvez étaler le carton d'emballage sur le sol et l'utiliser comme tapis pour éviter que le plateau de la table n'entre en contact direct avec le sol et ne s'abîme.

B  30mm*2

D  12mm*2

 *4

 *2

⚠ Veuillez ne pas serrer trop les vis pendant l'assemblage.
Faites particulièrement attention à ne pas serrer complètement toutes les vis tant qu'elles ne sont pas toutes en place.

①  12mm*2

 *2

Installer les pieds.

Fije el marco a la tabla utilizando los tornillos

  35mm*2

 *2

Tornillo (35mm)

※ Por favor, instale en un estado suelto.

Puede extender la caja de embalaje en el suelo y usarla como acolchado para evitar que la superficie de la mesa entre en contacto directo con el suelo y se dañe.

B  30mm*2

D  12mm*2

 *4

 *2

Por favor, tenga en cuenta que debe apretar cada tornillo solo después de haber fijado todos los tornillos.

①  12mm*2

 *2

Instale el portavasos y el gancho para auriculares.

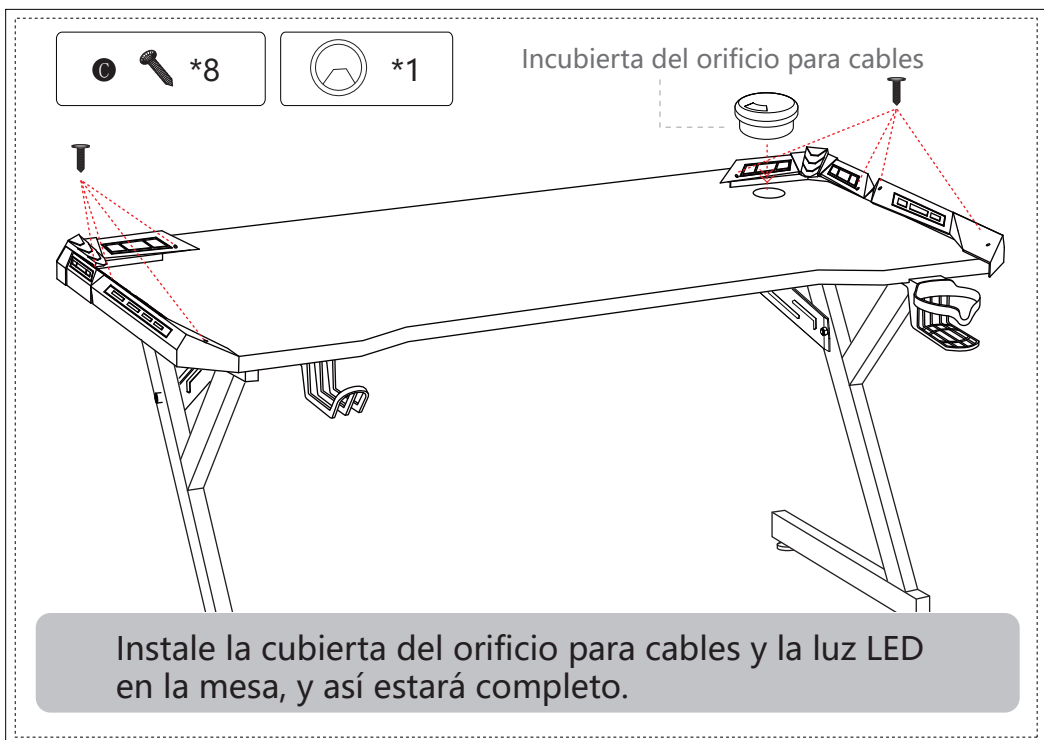

E *4

Tapón de pie regulable

Instale el tapón de pie regulable.

B  30mm*2

 *2

Bultar (35mm)

※ Var god installera i ett löst tillstånd.

Du kan lägga ut förpackningslådan på golvet och använda den som underlag för att förhindra att bordsskivan kommer i direkt kontakt med golvet och blir skadad.

⚠ Var noga med att inte dra åt skruvarna för hårt under monteringen. När alla skruvar är på plats, dra åt dem alla samtidigt.

①  12mm*2

 *2

Installera kopphållare och hörlurskrok.

Installera fötter

  35mm*2

 *2

Ringetjes

Benensteun

Bouten (35mm)

※ Installeer alstublieft in een losse staat.

U kunt de verpakingsdoos plat op de vloer leggen en als onderlegger gebruiken om te voorkomen dat het tafelblad direct in contact komt met de vloer en beschadigd raakt.
