

STRATUS RECHARGEABLE ACCENT LAMP

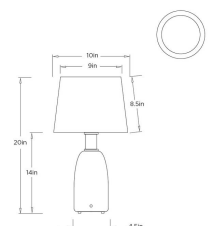

The Stratus Rechargeable Accent Lamp is crafted from softly swirling resin that adds depth and quiet movement to its surface. Its portable design allows for effortless placement, casting a warm, ambient glow across bedrooms, offices, or living spaces. Refined and versatile, this piece combines understated artistry with modern ease. The rechargeable lithium-ion battery provides up to 6 hours of use and fully recharges via a USB-C magnetic cable in approximately 6 hours, with an indicator light to signal when power is low.
