ASSEMBLY INSTRUCTIONS

Please Note:

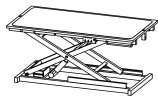

Please carefully read all instructions in the manual before installing and using the grooming table, then keep this manual properly. To reduce the risk of, fire, electrical shock, or injury to people or pets:

1. Do not leave grooming table plugged in when unattended.
2. Do not allow unsupervised children to play near by or to operate the table.
3. Do not immerse the motor in water or other liquids.
4. Unplug this table before cleaning or maintenance.
5. Use this table only for its intended use as described in this manual.
6. Never operate this grooming table if it has a damaged cord or plug, or if it is not working properly.
7. Keep cord away from heated surfaces.
8. Do not place or store this table in a place where it could be damaged or exposed to poor weather.
9. Do not pull, twist, or wrap cord around table base. Continuous stress on the cord can cause damage and result in it becoming a shock hazard.
10. While operating the grooming table, take note not to tangle the cord. If the cord becomes kinked or tangled, straighten it before resuming use.
11. Adjust the table height before pet is on the table as to not have table motion startle your pet.
