

Trifoglio Assembly Instructions

Inserting Wheels In Saucer:

1. Place saucer upside down on flat surface.
2. Line up the first wheel with the wheel stem cavity.
3. Press in firmly until the wheel is seated.
4. Turn saucer over once all 3 wheels are securely in place.

Stacking Planter Sections:

1. With the base sitting on the wheels, place the first planter section in recessed area.
2. Place second planter on top so all 3 pots are overhanging the first section.
3. Place third and final planter section on top of the second section so all 3 pots are overhanging.
4. Plant Strawberries, Herbs or Flowers and Enjoy!
