

Vector Pro™ II

Ideal for classrooms, boardrooms or anywhere a projector needs to be mounted. The Vector Pro II Projector Mount provides a single mounting solution for projectors weighing up to 50 lb. Designed with ease of use and fast installation in mind, this mount is engineered with one easy to reach point of adjustment and comes fully pre-assembled. Its internal cable management neatly hides all cables and cords providing a clean and clutter-free installation. The Vector Pro II also features security at every connection point and is compatible with all Peerless' universal, projector-specific and clamp-style adapter plates.

- Single point of adjustment for quick and easy image alignment
- Features a 1-1/2" cord access hole for a clean appearance
- Ships fully pre-assembled for a quick and easy installation
- Ceiling plate included – ideal for wood joist or concrete
