Installation Precautions

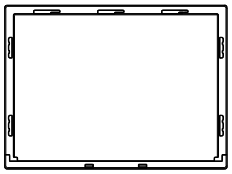

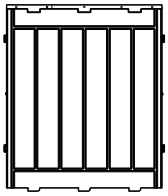

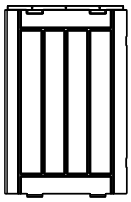

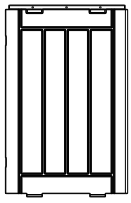

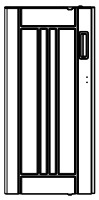

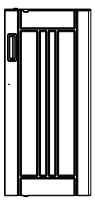

⚠ 1.Gather and organize all required parts prior to assembly.
2.Assemble on a flat, clean and soft surface.
3.Two or more people are needed for the assembly.
4.Align the holes before assembly and snap into place with a slight tap.
5.The product's structure prevents it from being conveniently assembled in low temperatures, so do not intentionally install at low temperatures.
6.During installation, please refer to the accessories guides to ensure that they are installed in the correct directions.

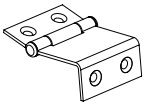

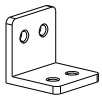

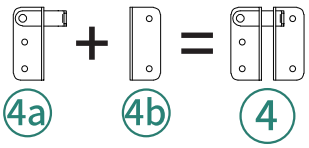

Please have the following auxiliary tools ready:
