### **KEEPING OUTDOOR GARDEN FURNITURE LOOKING ITS BEST IS SIMPLE AND EASY**

Crafted from premium acacia hardwood, your furniture set boasts exceptional quality. Over time, the untreated wood will gracefully transition to a silver/grey hue, showcasing its natural beauty. As a product of nature, it may undergo slight expansion and contraction with changing seasons, influenced by moisture levels. The occurrence of small cracks is both normal and anticipated.

To enhance the longevity of your wooden furniture in outdoor settings, we advise an annual treatment with a high-quality outdoor furniture oil. This simple maintenance routine will not only preserve its aesthetic appeal but also contribute to its durability when exposed to the elements of the great outdoors.
