Product Features

- **Modern Design & High Quality** The 42 Inch Ceiling Fan with Light and Remote Control is made of wood material and stainless steel, which is strong and durable. It is suitable for any indoor and covered outdoor space, such as: Outdoor, Living Room, Bedroom, Farmhouse, Patio, Kitchen, Dining Room, etc.
- **Super Quiet** This ceiling fan is designed for light sleepers. Features a 35W DC silent bearing copper core motor. The volume is low to 35dB when the fan is running, like the sound of falling leaves, a reduced 30% volume compared to traditional fans. It is more suitable for families with babies or elders.
- **Reversible DC Motor** The DC motor is quieter and more energy efficient, saving 65% energy than traditional AC motors. Reversible motor ceiling fan can bring coolness in summer and promote air circulation in winter.
- **Color-changing & Dimmable LED Light** Flush mount modern ceiling fan with color-changing light (3100K warm yellow light, 4500K bright daylight, 6500K cool white light), dimmable from 0%-100%, create desired atmosphere for working, leisure, party.
- **Multi-Speed & 3 Timers** Good ceiling fan with light and remote control for easy adjustment of 6 wind speeds, timer function with 1H/2H/4H sleep time, allowing you to set it to automatically turn off at your desired intervals.
