Availability: In Stock

Item Weight: 7 lb

Number of Lights: 9

Suggested Bulb: CA Flame Tip

Socket Type: E12

Watts per Socket / Item: 60/540

Exhibiting the perfect lightness for the modern castle, our Serpentina Chandelier illuminates a space in waves of good cheer. Made from wrought iron that we have treated to an antique black finish, the lightness of this design is enhanced by the aircraft cable that suspends the serpentine bottom ring from the plumb bob-like top cap. The surprising result of the pared-down shapes is that this fixture can swing from contemporary to industrial chic.
