STEP 8

Diagram illustrating Step 8: Attaching the top panel. The top panel (2) is shown being secured to the frame using screws (Q). The diagram includes a callout showing the transformation of a curved screw (1) into a flat head screw (2).

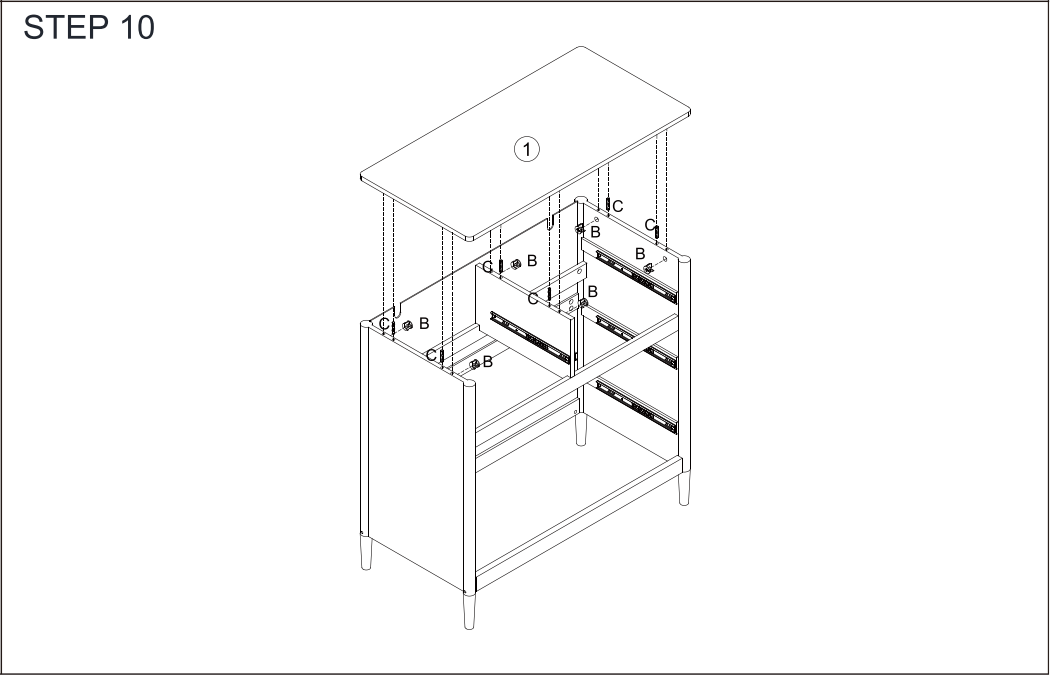

STEP 9

This diagram illustrates the final step of the assembly process. A back panel, labeled with a circled '9', is being attached to the rear of the cabinet. The panel is shown being lowered into place, with a downward arrow indicating the direction of movement. The panel is secured to the cabinet's internal frame by two screws, each labeled with a 'C'. The cabinet's internal structure, including the shelves and drawers, is visible, showing the completed assembly.
