Assembly Steps

STEP 1

STEP 2

STEP 4

STEP 1 Align the Connection Rod(A) into the Base Rod(B) and fix them together.

STEP 2 Attach the Wheel(C) onto the assemble supporting rod with the Screw Kit(D).

STEP 3 Screw the provided bolts into the holes around the wheel and cover them with white plastic sleeves.

STEP 4 Mount the small wheel onto the base wheel. Your Standing Prize Wheel is now assembled and ready for use!

Note

Position b

- ☐ The rod height can be adjusted by adjusting position a and b;
- ☐ Please note that the wheel may be a little wobble if it is adjusted at a high length.
