Product Description: The striking silhouette of the two-door Ciao Bella Display Cabinet with wood-framed beveled glass doors will bring the character of European farmhouses to your home. Crafted of Pine, Poplar and Hardwood Solids with Maple and Pine Veneers, the Natural finish looks like it has aged through generations. As practical as it is pretty, the display cabinet has 2 adjustable wood-framed glass shelves and one fixed wood-framed glass shelf. The burnished brass hardware is tear-drop shaped.

Collection Features: Inspired by the small farmhouses that dot the French and Italian countryside and have been in the hands of the same family for generations, Hooker Furniture introduces the rustic Ciao Bella Collection. The whole home collection is an eclectic mix of European farmhouse pieces that have the appearance of furniture that has been refinished multiple times as it has passed through the generations. Ciao Bella includes bedroom, dining room, occasional, home office and accent furniture, and features a finish called Timeworn Gray that accentuates the historical nature of European farmhouses – many of which include a variety of furniture styles that have been added by each generation of owners.
