

Product Introduction

This is a detachable nesting gold metal floor vase set with 3 different- sized vases. The bottom is detachable for quick assembly and storage. With hexagonal embossed texture, it is ideal for living room, entryway, hallway, hotel and home decoration.

Assembly Steps (Start from the largest vase bottom)

1. Step 1: Open the base of the largest vase. Pinch the bottom clips and lift upward to open the base of the biggest vase.
2. Step 2: Nest the smaller vases inside. Put the medium- sized vase into the largest one, then place the smallest vase inside, arrange neatly.
3. Step 3: Fasten the base to finish assembly. Align the bottom clips and press firmly to lock. Your vase set is ready for display.

Disassembly & Nesting Steps

1. Unclip the base of the largest vase;
2. Take out the medium and small vases one by one;
3. Display separately or nest all together for space- saving storage and easy transportation.

Notes

1. Made of metal, handle carefully to avoid scratches;
2. Do not bend the clips forcibly to prevent deformation;
3. For decoration only. Long- term water storage is not recommended to avoid rust.
