

SECTIONAL SOFA COVERS INSTALLATION GUIDE

1

Find the right arm cover with "RIGHTARM" label, place the cover on the top back of the recliner, stretch the fabric to the footrest of the seat.

2

Put the right arm cover to fit the arm recliner.

5

Flip over the recliner, find the elastic straps at the bottom of the recliner back cover, and connect 2 straps together with a fixed buckle.

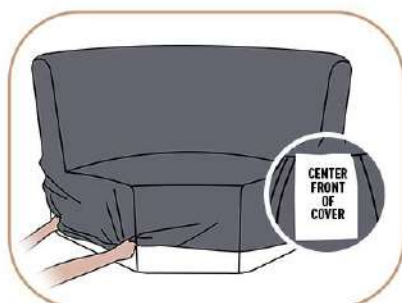

4

Find armless recliner covers, place the cover on the top back of the recliner and pull directly to the footrest.

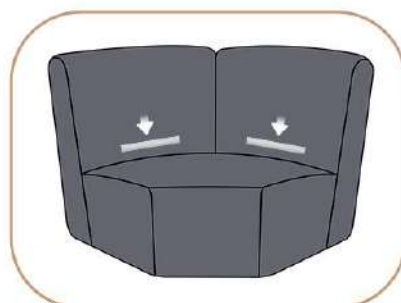

3

Find the left arm cover with "LEFTARM" label, do the same steps as the right side.

6

Find the slipcover section which have the label "CENTER FRONT OF CORNER" and "CENTER BACK OF CORNER", then position them evenly over the corner's backrest and seat.

7

Tuck excess fabric into the gap of the recliner and organize the whole recliner cover.
