ASSEMBLY

TOOL NEEDED
(PROVIDED)

⚠ ATTENTION

Before Assembly

- Make sure you received all parts on the parts list. If you find something missing, please stop assembling and contact our customer service immediately. We will solve your issue as soon as possible.
- Please read through this booklet carefully before assembly.
- Please choose an empty space that is clean, flat, and steady for assembly to avoid damaging or staining the product.
- Part E (Ottoman Cushion) is vacuum-packed. Please open the vacuum bag carefully, then press and tap the cushion to make it fully plump.

Open the vacuum bag carefully.

Press and tap with both hands from the front to fully inflate.

During Assembly

- When assembling the product, please keep all small parts and package materials away from babies and children.
- In each step, do not tighten up bolts until you confirm all bolts are lined up with their corresponding holes.

After Assembly

- Keep this booklet for future reference.
- Do not dispose of the packaging materials if you want to return the product.
- Improper use of this product or failure to follow the instructions may result in injury.
