

! WARNING

- Read and understand all instructions. Failure to follow all instructions listed below, may result in product damage.
- Before assembly, check all components in the package. Make sure you have hardware for operation.
- Please keep your personal property away during the installation to avoid any damage.

Each package contains TWO chairs. The following display shows the components for ONE chair.

1

Connect the 4 legs (C) to the cross-shaped base (B) using screws (F) and tighten them to 80%. Make sure the pre-drilled holes on the legs face inward.

2

Attach the square footrest (D) to the legs using screws (G) and tighten the screws. After this step, go back and securely tighten the screws from the previous step to 100%.

3

Rotate the swivel base (H) so that the holes are offset by 90 degrees for easier installation. Attach the swivel base (H) to the cross-shaped base (B) using screws (E), and tighten the screws.

4

Secure the seat back (A1) and seat cushion (A2) together using screws (J), and tighten them to 100%.

5

Flip the seat cushion (A) over and use screws (E) to connect it to the swivel base, then tighten the screws. The assembly is now complete.

MAINTENANCE INSTRUCTION

Clean with a dry cloth, wipe with neutral detergent for seat cushions.

FRAME: Wipe with a semi-dry cloth. Do not use bleach to clean the frame, and avoid contact of hardware parts with water to prevent rust and prolong the product's lifespan.

DO NOT USE the product when it is unsafe for sitting.
