How To SEPARATE BALL BEARING SLIDE. Cómo SEPARAR LAS GUÍAS DE BOLAS. Comment SÉPARER LES GLISSIÈRE À BILLES.

- 1) Pull toward arrow to open the slide until its stops and then flip it over.
Hale como indica la flecha hasta que la ranura se detenga y luego dele vuelta.
Tirez en direction de la flèche pour ouvrir la glissière jusqu'à ce qu'elle arrête, puis retournez la.

- 2) Push plastic lever down and pull apart.
Empuje hacia abajo el nivelador plástico y desmóntelo.
Poussez le levier en plastique vers le bas et séparez.

Cabinet member/ Nivelador del archivador/ Élément de l'armoire
