

TIMBER, OUTDOOR, BOLLARD

DESCRIPTION

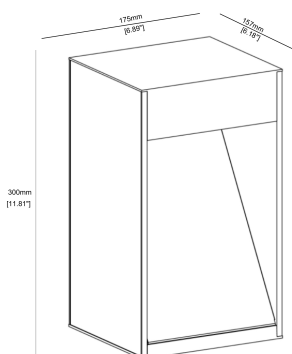

TIMBER brings warmth and natural character to the outdoor landscape through its distinctive textured wood grain finish, setting it apart in any exterior setting. Its angular recessed light slot casts a focused, directional glow that feels intimate and inviting against the rich organic texture of its surface. Available as a tall 24" bollard that commands the landscape or a compact 12" version that nestles closer to ground level, TIMBER guides pathways and defines outdoor spaces with a grounded, natural elegance that only improves with atmosphere.
