## Notes

1. Please check the size carefully before ordering.
2. This lunch box is not recommended to be dishwasher safe.
3. For better heat retention, please preheat or pre-cool the lunch box by pouring hot or cold water into it for 1-2 minutes before putting in the food.
4. Please wash the inside of the lunch box with a soft cloth and detergent diluted with warm water before first use. Please dry and store the lunch box after each cleaning.
5. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
