With the back detailed in the same fashion as the front, this simply stunning console can stand alone, act as a sentry in your foyer, or tuck up against your favorite sofa. The front scalloped apron features two concealed drawers for key fobs and ear buds and the other stuff of daily life. The lower shelf is a perfect drop zone for shoes and backpacks, as well as a lovely place to display favored objects. The delicate frame is crafted of solid mahogany, providing strength for the slender turned legs. This slender console is hand finished in an aged antique gray paint.
