Joie de Vivre 1

D2790S55794-4739

Taken literally, Joie de Vivre 1 is an exuberant enjoyment of life. This enthusiastic work on canvas achieves rapid movement using bold gestural brushstrokes of intense color. Playful marks are interspersed throughout the composition adding to its sense of joy. On top of a whitewashed backdrop sits bold strokes in lemon yellow along with splashes and pockets of cherry red. A corner set in wine red draws the eye, while thick charcoal marks lend balance. A playful and striking work on canvas, Joie de Vivre 1 is a beautiful addition to ART by TA.
