

Assembly Instruction (Twin Size Headboard)

(Hardware is not included.)

- 1). When attach your Twin size bed frame to this Headboard, please connect the bed frame directly to the metal plates B on headboard legs with your own hardware .
- 2). Periodically check to ensure that all connectors (bolts and screws etc.)are tight.
- 3). Please check the maximum load capacity of your bed frame and do not exceed that weight.
(Bed Frame and hardware are not provided)
