

Shower Mats

supports with countersunk screws

- Ideal for indoor or outdoor use
- Marine grade stainless steel screws are used in the construction
- All screws are countersunk into the bottom supports and into the top slats
- Slip and bacteria resistant
- Battens are 1/4" rounded on the edge of each top batten to assure comfort
- Edges and corners have a 1/4" roundover and are hand and machine sanded twice for a smooth finish
- Narrow drainage gaps to assure a comfortable surface for bare feet
- All mats are built on 3/4" x 3/4" solid teak supports
- Anti-bacterial rubberized strips are bonded to each teak support to assure the mat stays in place
