INSTRUCTION MANUAL

Please read this manual carefully before assembling or using this product. Follow the instructions thoroughly and keep this manual for future reference.

For a faster and easier assembly, work with a partner.

IMPORTANT INSTALLATION AND MAINTENANCE NOTES

- The furniture is large and heavy, please choose a good placement before installation. After the installation is completed, try not to move it widely. If necessary, more than one person should cooperate to carry it.

- Please note: After the installation is completed, avoid vigorous dragging or using brute force to carry the furniture, as this may cause irreversible damage to the connection points or plates, leading to cracks that affect the functionality and appearance of the product.

- Any product that is assembled using screws should be re-tightened 2 weeks after assembly, and once every 3 months thereafter, to ensure stability throughout the product's lifespan.

- For regular maintenance and cleaning of the product: For the frame, use a rag dipped in neutral detergent to wipe it thoroughly, then dry it with a clean rag. For glass materials, use a rag dampened with a water-based glass cleaner, and then dry it with a dry rag.

- Do not use an electric screwdriver, and avoid using excessive force during installation, as the board is easy to break.

ANTI-TOPPLE WARNING!
