

ASSEMBLY INSTRUCTIONS

- 1. Carefully unpack and identify all parts referring to illustration for parts identification.
- 2.Turn the power to the installation point OFF.
- 3.Unfold arms of fixture to desired positions.
- 4. While threading wire through, assemble the rods (5) together using the nipples (4). Attach the end of the rods (5) onto the nipple (6) until tight.
- 5. Secure the loop (3) onto the other end of the rods (5).
- 6.Refer to the additional installation instructions included with the product for wiring and installation.
- 7.Install proper bulbs (not included) into each socket referring to the markings and/or labels on the fixture for maximum wattage.
- 8. Restore power to the installation point and retain this sheet for future reference.
