Eloquent Thoughts6

Eloquent Thoughts I is part of a series of six works that hark back to the Abstract Expressionist movement that emerged in the mid-20th century. These works are characterized by bold, gestural marks that express action.

Incorporating contemporary elements of late-20th-century Graffiti Art that offer an urban feel, Eloquent Thoughts 1 shifts from light to dark in a pleasing arrangement of abstract forms. The color scheme consists of greige, steel blue, smoke, and alabaster in this beautiful addition to the carefully curated ART by TA Collection.
