

# ASSEMBLY GUIDE & CARE INFORMATION

## FOR YOUR KING SIZE BED

**Most customers  
assemble under  
60 minutes**

**Assembly is  
easiest with 2  
people**

**Required tool  
(not provided)  
#2 Phillips Screwdriver**

# Important Assembly & Safety Notes

1. **Do not assemble or use this product if any parts are missing, damaged, or broken.**  
Contact customer support for factory replacement parts before proceeding.
2. **Carefully check all packing materials before discarding the carton.**  
Small hardware may have come loose during shipment.
3. **Identify and count all parts and hardware before starting.**  
Compare each item with the parts and hardware list in the instructions.
4. **Follow the assembly steps exactly as shown.**  
Improper assembly may result in personal injury or property damage.
5. **Some parts may be heavy or have sharp edges.**  
Use caution when handling components.
6. **Secure all bolts firmly before use.**  
Do not use the product until all fasteners are fully tightened.
7. **Recheck and tighten all bolts every 90 days.**  
This helps maintain long-term stability and prevents loosening over time.
8. **Do not drag or push the bed frame.**  
Always use two people to lift and reposition the product. Dragging may damage the legs, slats, or center support.
9. **Use floor protection on non-carpeted surfaces.**  
An area rug or furniture pads are recommended (not included).
10. **Do not use or store this product near open flames or flammable chemicals.**
11. **Keep these instructions for future reference and maintenance.**

---

## Need a replacement part?

Please contact us through the website used for your purchase.  
To help us resolve your request quickly, include:

- Clear photos of the issue
- The part number and quantity needed

**IMPORTANT:** Seller and Manufacturer disclaim all and any liability for property damage, personal injury, or loss, direct, indirect, or incidental, resulting from the incorrect assembly, inadequate maintenance, improper use, or neglect of this product.

# Bed Parts Check List

|   |                      |     |
|---|----------------------|-----|
| A | Headboard            | x1  |
| B | Footboard            | x1  |
| C | Headboard Rail       | x1  |
| D | Headboard Post Left  | x1  |
| E | Headboard Post Right | x1  |
| F | Side Rail            | x2  |
| G | Bed Slat             | x13 |
| H | Slat Support         | x2  |
| I | Support Leg          | x6  |

**Need a replacement screw?**

Refer to the Hardware Check List below for size specifications.

|   |                  |     |            |                                                                                       |
|---|------------------|-----|------------|---------------------------------------------------------------------------------------|
| J | Screw            | x26 | M4 x 32mm  |    |
| K | Half Moon Washer | x6  | M8 x 30mm  |    |
| L | Hex Nut          | x6  | M8         |    |

 #2 Phillips Screwdriver

# Bed Assembly Step 1

|                                                                                                                    |                                                                                                                               |                                                                                                                          |                                                                                                                                     |
|--------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------|
| <b>C</b> Headboard Rail<br>x1<br> | <b>D</b> Headboard Post Left<br>x1<br>       | <b>E</b> Headboard Post Right<br>x1<br> | <b>K</b> Half Moon Washer<br>x2<br><br>M8 x 30mm |
| <b>L</b> Hex Nut<br>x2<br><br>M8  | <b>O</b> Threaded Rod<br>x2<br><br>M8 x 65mm | <b>P</b> Dowel<br>x2<br><br>M10 x 40mm | <b>S</b> Open End Wrench<br>x1<br><br>M8         |

- Insert **O** and **P** into **D** and **E**.
- Attach **C** to **D** and **E** with **K** and **L** using an Open End Wrench **S** as shown.

# Bed Assembly Step 2

|                                                                                                               |                                                                                                                       |                                                                                                                            |
|---------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------|
| <b>A</b> Headboard<br>x1<br> | <b>N</b> Bolt<br>x4<br><br>M6 x 35mm | <b>R</b> Hex Key Wrench<br>x1<br><br>M4 |
|---------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------|

Adjustable headboard height.  
Assemble bolts at preferred height as shown below.

Highest Position

Lowest Position

## Warning!

Do not use power tools to tighten the bolts.  
Hand-tighten bolts to secure the headboard safely.

- Attach **A** to Assembled Headboard Leg with **N** using a Hex Key Wrench **R** as shown.

# Bed Assembly Step 3

- Insert **O** and **P** into **D** and **E** as shown.

# Bed Assembly Step 4

|                                                                                                               |                                                                                                                               |                                                                                                                           |
|---------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|
| <b>B</b> Footboard<br>x1<br> | <b>O</b> Threaded Rod<br>x2<br><br>M8 x 65mm | <b>P</b> Dowel<br>x4<br><br>M10 x 40mm |
|---------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|

- Insert **O** and **P** into **B** as shown.

# Bed Assembly Step 5

|                |                                                                                                                    |                |                                                                                                    |                |                                                                                                             |
|----------------|--------------------------------------------------------------------------------------------------------------------|----------------|----------------------------------------------------------------------------------------------------|----------------|-------------------------------------------------------------------------------------------------------------|
| <b>K</b><br>x4 | Half Moon Washer<br>M8 x 30mm<br> | <b>L</b><br>x4 | Hex Nut<br>M8<br> | <b>S</b><br>x1 | Open End Wrench<br>M8<br> |
|----------------|--------------------------------------------------------------------------------------------------------------------|----------------|----------------------------------------------------------------------------------------------------|----------------|-------------------------------------------------------------------------------------------------------------|

- Attach Assembled Headboard and Assembled Footboard to **F** with **K** and **L** using an Open End Wrench **S**.

# Bed Assembly Step 6

|                                                                                                                     |                                                                                                                          |                                                                                                                  |                                                                                                                          |
|---------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <b>G</b> Bed Slat<br>x13<br>       | <b>H</b> Slat Support<br>x2<br>         | <b>I</b> Support Leg<br>x6<br> | <b>M</b> Bolt<br>x12<br><br>M6 x 60mm |
| <b>Q</b> Adjustable Feet<br>x6<br> | <b>R</b> Hex Key Wrench<br>x1<br><br>M4 |                                                                                                                  |                                                                                                                          |

Note:

See Bed Assembly Step 8 to properly adjust part **Q**

- Insert **Q** into **I**.
- Attach **G** and **I** to **H** with **M** using a Hex Key Wrench **R** as shown.

# Bed Assembly Step 7

|                                                                                                |                                                                                    |
|------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
| <b>J</b> Screw                                                                                 | Phillips Screwdriver                                                               |
| x26                                                                                            |  |
| <br>M4 x 32mm | Not provided                                                                       |

Note: The arrow mark found here indicates that this side should connect to the headboard side.

- Attach Assembled Bed Slat to Assembled Bed Frame with **J** using a Phillips Screwdriver as shown.

# Bed Assembly Step 8

## **WARNING!**

- Ensure the adjustable feet are perpendicular to the floor before using the bed. Rotate them clockwise or counterclockwise until firmly against the floor.

**Note:** *The adjustable feet rotate to fit the floor; one may need clockwise rotation while the other counterclockwise, depending on leveling and assembly.*

- Do not drag or push the bed frame. To ensure safe moving, always use two people to lift and re-position the bed frame. Avoid dragging or pushing it across the floor to prevent damage to the legs, slats, and center support legs.

# FAQs

## FREQUENTLY ASKED QUESTIONS

---

WHERE IS THE REST OF MY ORDER? THE PACKAGE I RECEIVED SAYS CARTON NO. 1 OF 3, CARTON NO. 3 OF 5, OR CARTON NO. 5 OF 6 ETC.

THE MARKETPLACE ONLY ALLOWS 1 TRACKING NUMBER TO BE UPLOADED IN THE SYSTEM. HOWEVER, THE PRODUCT IS SHIPPED IN MULTIPLE PACKAGES. YOU CAN CONFIRM THE NUMBER OF PACKAGES TO RECEIVE BY REFERRING TO THE CARTON NO. PRINTED ON THE PACKAGE THAT WAS DELIVERED TO YOU. FOR EXAMPLE, YOU RECEIVED 1 PACKAGE AND THE PACKAGE SHOWS CARTON NO. 1 OF 3, THEN CARTON NO. 2 OF 3 AND CARTON NO. 3 OF 3 IS IN TRANSIT TO YOU. THE REST OF THE PACKAGES CAN BE DELIVERED WITHIN THE SAME DAY AS THE FIRST PACKAGE OR WITHIN A FEW DAYS. ONCE THE ORDER IS SHIPPED CONFIRMED, OUR TEAM WILL SEND YOU A MESSAGE TO PROVIDE YOU WITH ALL THE TRACKING NUMBER THAT COMPLETES YOUR ORDER. IF YOU DID NOT RECEIVE THIS MESSAGE, PLEASE CHECK YOUR EMAIL'S SPAM FOLDER, OR LOG INTO THE MARKETPLACE ACCOUNT AND SEND US A MESSAGE.

MY ORDER IS DAMAGED, WHAT DO I DO?

CONTACT US ON OUR WEBSITE INCLUDE THE ORDER NUMBER AND ATTACH APPLICABLE IMAGES TO EXPEDITE THE CLAIM AND ENSURE OUR TEAM WILL PROVIDE THE APPROPRIATE RESOLUTION

I TRACKED THE PACKAGE AND IT SHOWS MY PACKAGE WAS DELIVERED, BUT I NEVER RECEIVED THE PACKAGE. I DOUBLE CHECKED WITH MY FAMILY MEMBER AND NEIGHBOR; THEY DO NOT HAVE THE PACKAGE. WHAT DO I DO?  
CONTACT US ON OUR WEBSITE INCLUDE THE ORDER NUMBER AND LET US KNOW WHICH CARTON NUMBER OR TRACKING NUMBER YOU DID NOT RECEIVE, AND A TEAM MEMBER WILL REPLY TO YOUR MESSAGE ACCORDINGLY.

LOVE THE PRODUCT?
