Solid Wood Bed

Assembly Instruction – Please keep properly for future reference.

If you find any missing boxes, damaged parts, or accessory shortages, please contact the customer service team of your purchasing channel immediately. We will resolve the issue as quickly as possible.

THE FOLLOWING INFORMATION:

- Order number
- Purchase platform
- Purchase date
- Detailed description of the issue along with photos (if applicable)

Important – Please read these instructions carefully before starting the installation.

Solid Wood Bed

V1.0

EN

Before Assembly

Thank you for choosing this product!
To ensure safe use and long-term maintenance, please read this manual carefully and keep it properly for future reference.

Packaging Notice:

1. Multi-Box Shipping Notice

This product is packaged in 2 separate boxes for shipping and may arrive in batches at different times. To ensure a smooth assembly process, please make sure all boxes are received before unpacking and starting the installation.

2. Box and Packaging Verification

Each box is labeled with a corresponding number. Please refer to the packing list on the next page of this manual to verify that all boxes have been received.

If you find any missing boxes, damaged parts, or accessory shortages, please contact the customer service team of your purchasing channel immediately. We will resolve the issue as quickly as possible.

Important Notice:

- To ensure a smooth and successful installation, please read this guide carefully. It provides essential information about the required tools, materials, and assembly steps. Follow the instructions in each section to avoid any issues caused by improper installation.
- Please review all operational and safety guidelines to ensure proper and secure assembly.
- This guide reflects the most current product information available at the time of printing. We reserve the right to make changes to product features, packaging, or availability without prior notice.
- Before starting assembly, ensure that all necessary electrical and environmental preparations are completed.
- This manual contains important instructions regarding installation, cleaning, and maintenance. Please read it thoroughly and keep it for future reference.

Safety Warnings

EN

1. Follow Warning Labels

Do not remove, alter, or obscure any warning labels on the product or packaging. Always adhere to the displayed safety instructions to ensure proper usage.

2. Conduct Regular Inspections

Periodically inspect all components to ensure they are properly installed, undamaged, and securely fastened. Report any issues to customer support immediately.

3. Practice Safe Usage

Avoid playing, jumping, or engaging in activities on or under the bed, as this may cause injury or structural damage.

4. Beware of Rope Hazards

Do not attach ropes, hooks, straps, or any non-designated accessories to any part of the bed, as this may pose a safety hazard.

5. Keep This Manual for Reference

Store this manual in a safe and accessible place for future reference.

6. Safety is a Shared Responsibility

Ensuring safety is a joint responsibility between the manufacturer and the user. Please follow all safety precautions during assembly and use.

Disclaimer

We are committed to delivering safe, high-quality, and reliable products to our customers. If you have any questions, concerns, or require further assistance, please contact our customer service team without hesitation.

Maintenance and Care Recommendations

1. Regular Cleaning

To maintain hygiene and prevent bacterial growth, clean the product regularly. Use a damp, well-wrung cloth to avoid excess moisture and prevent surface scratches.

2. Prevent Corrosion

Keep the product away from acidic or alkaline substances, as they may cause corrosion or damage to the materials.

3. Use Only Authorized Replacement Parts

Do not use unauthorized or third-party replacement parts, as they may compromise the product's safety and durability. If a replacement is needed, contact the manufacturer or an authorized dealer for approved parts.

4. Cleaning Precautions

Do not machine wash or rinse any part of the product directly with water, as this may damage the materials and reduce product lifespan.

5. Prevent Pests

Keep wooden furniture away from damp or humid areas to prevent pest infestations and wood damage. Use a dehumidifier or air conditioner during humid seasons to maintain a dry environment.

6. Protect from Sunlight

Avoid placing furniture in direct sunlight, as prolonged exposure may cause cracking, discoloration, or fading. If sunlight exposure is unavoidable, use curtains or shades to minimize damage.

7. Keep Away from Fire

Position furniture away from heat sources and open flames to prevent damage and maintain its condition.

8. Perform Regular Care

Apply furniture oil periodically to maintain the wood’s shine, prevent cracks, and extend its lifespan.

9. Clean Frequently

Regularly vacuum dust and debris, especially underneath furniture, to keep it clean and hygienic.

10. Maintain a Dry Environment

Ensure good ventilation to prevent moisture buildup, which can damage wood. Use a dehumidifier if necessary to protect the furniture.

11. Avoid Corrosive Liquids

Keep furniture away from acidic or alkaline substances, as these can damage the surface and reduce durability.

12. Use a Damp Cloth for Cleaning

Wipe furniture with a well-wrung damp cloth to prevent water damage or swelling. Avoid excessive moisture exposure.

13. Limit Sun Exposure

Excessive sunlight can dry out and weaken wood. Position furniture in shaded areas or use UV-blocking curtains to protect it from damage.

Customer Service Guide

EN

Thank you for choosing our product! We are committed to providing you with excellent service. If you find any missing parts, damaged packaging, or product damage after receiving all packages, please follow the steps below to quickly contact our customer service team. We will do our best to resolve your issue.

1. Missing Parts

Verify Parts:

1. Refer to the “Parts List” in the manual to verify the name, specifications, and quantity of the missing parts.
2. Take a clear photo of the parts list and mark the missing parts with detailed information, e.g., “Missing 5 pieces of M6×30mm screws.”

Contact Us:

By Email:

Send an email with the subject line “Missing Parts Issue.” Include the following in the email:

- A description of the missing parts and a photo of the parts list.
- Order details (order number, purchase platform, purchase date).

2. Product or Packaging Damage

If it affects normal use:

Steps:

1. Take clear photos or videos showing the damaged parts and the extent of the damage (multi-angle shots are recommended).
2. Email the photos/videos along with order details with the subject line “Product Damage Issue.”

Resolution:

After verification, we will arrange for a replacement part, product exchange, or refund as quickly as possible.

If it does not affect normal use:

Steps:

1. Contact our customer service team.
2. Provide a description of the damage and include relevant photos or videos.

Resolution:

We will provide repair guidance or an appropriate compensation plan based on the specific situation.

Helpful Tips

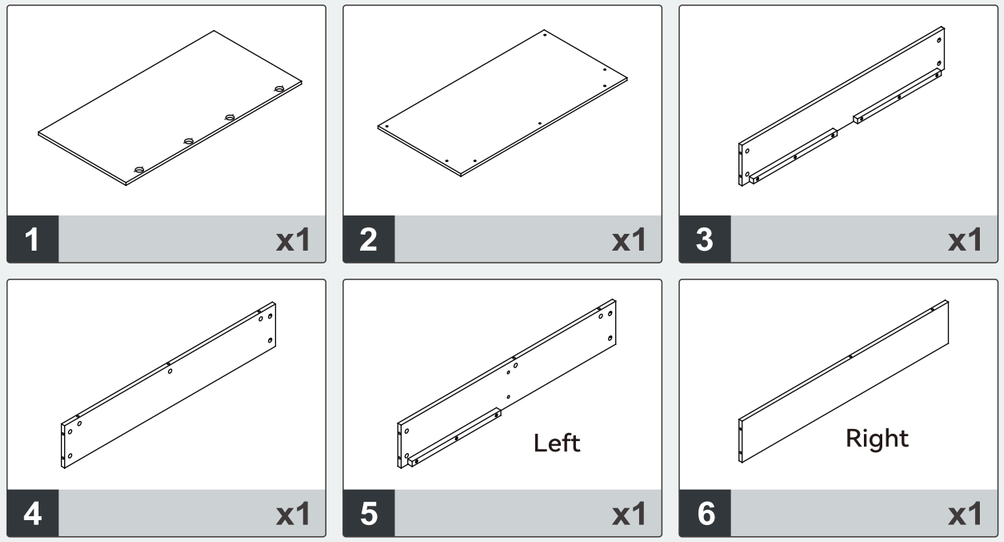

To process your issue efficiently, please prepare the following information:

- Order details (order number, purchase platform, purchase date).
- Clear photos or videos.
- We are committed to providing quick and professional solutions, no matter the size of the issue, to ensure your satisfaction.

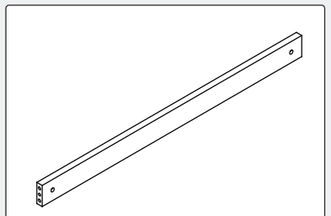

Thank you for your trust and support!
We hope you enjoy using our product!

(Not Included)

EN

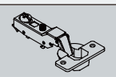

Headboard Section Installation

The headboard section assembly requires a total of 14 labeled panels shown in the diagram. Please locate all of them and prepare them for use.

Hardware Accessory List

E		Φ6.5x75mm X4
G		#7*15mm X8
K		Φ10x40mm X4
M		M6-Φ7x37mm X27
N		Φ15x11.5mm X27

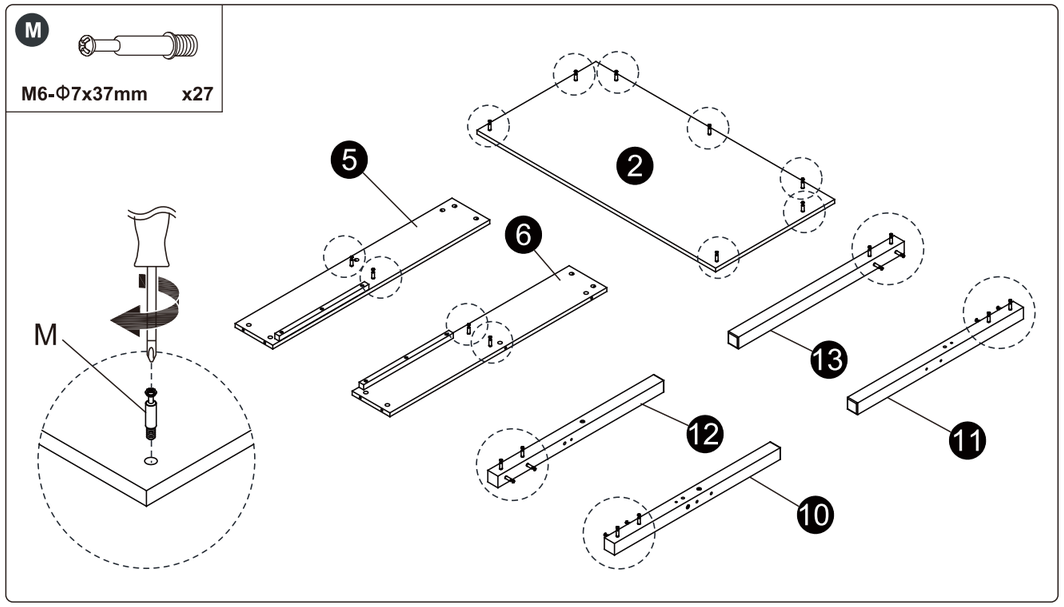

L		X4
R		Φ35x2mm X2

Note :

Before beginning assembly, please verify that all hardware components are included. If any parts are missing or damaged, contact customer service immediately for a replacement.

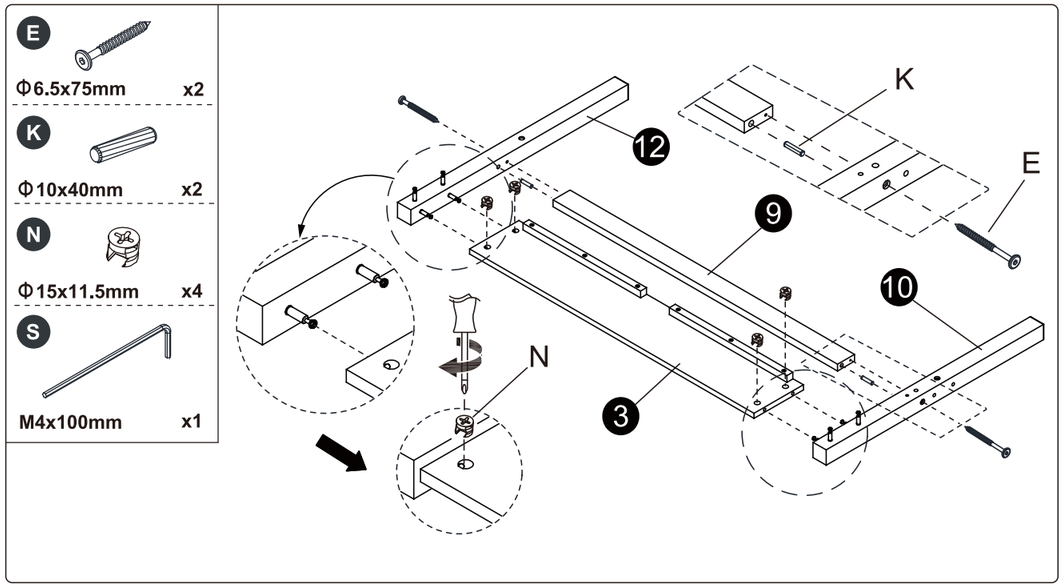

EN

Step 1 Headboard Section

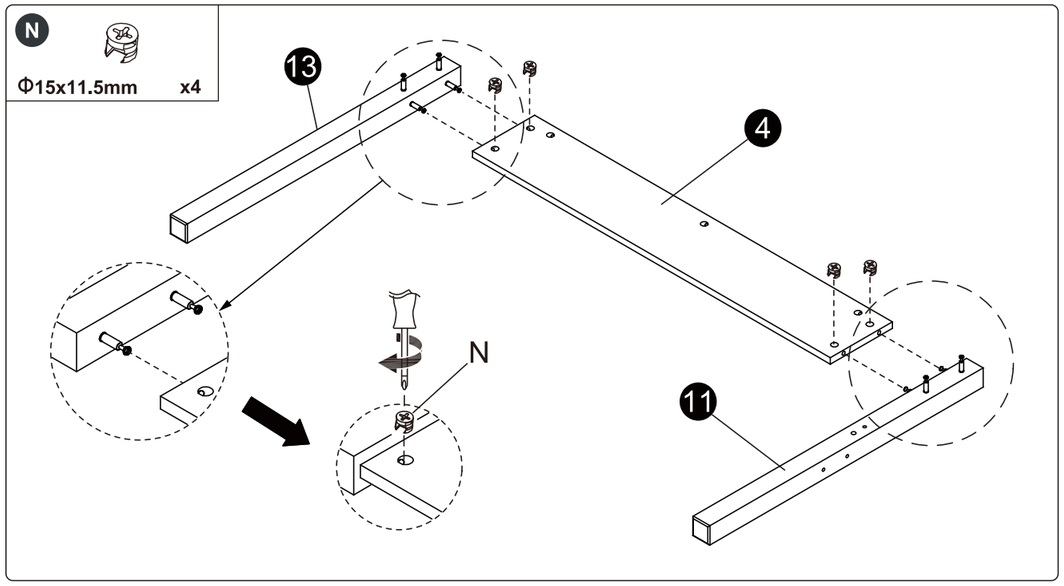

Insert CamLock (M) into these panels as shown in the illustration.

Step 2 Headboard Section

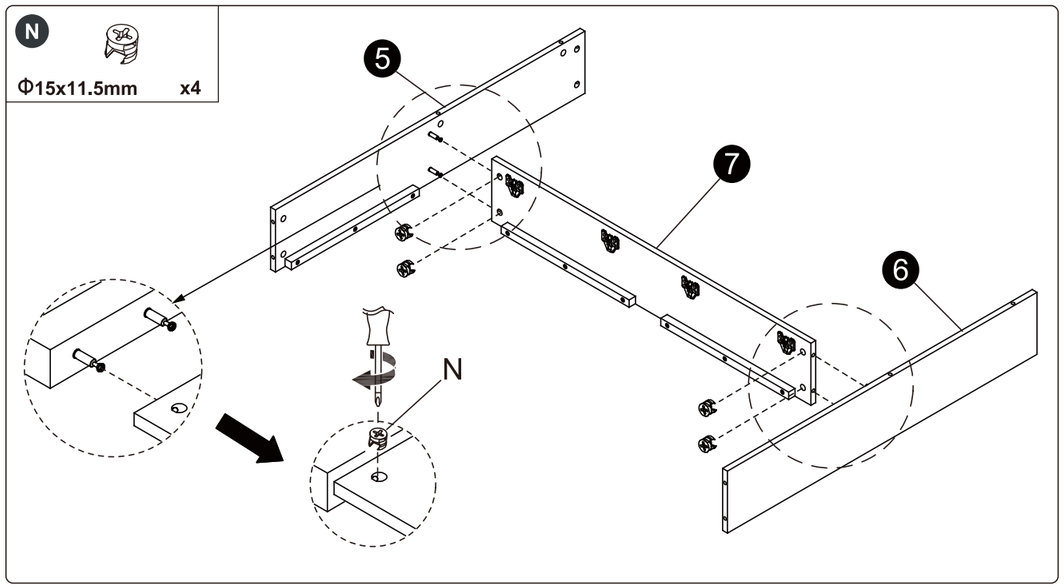

Attach Support Rails (9 & 3) to Legs (10 & 12) using Dowels (K), Screws (E), and Nuts (N). Tighten with the Allen Wrench (S).

Step 3 Headboard Section

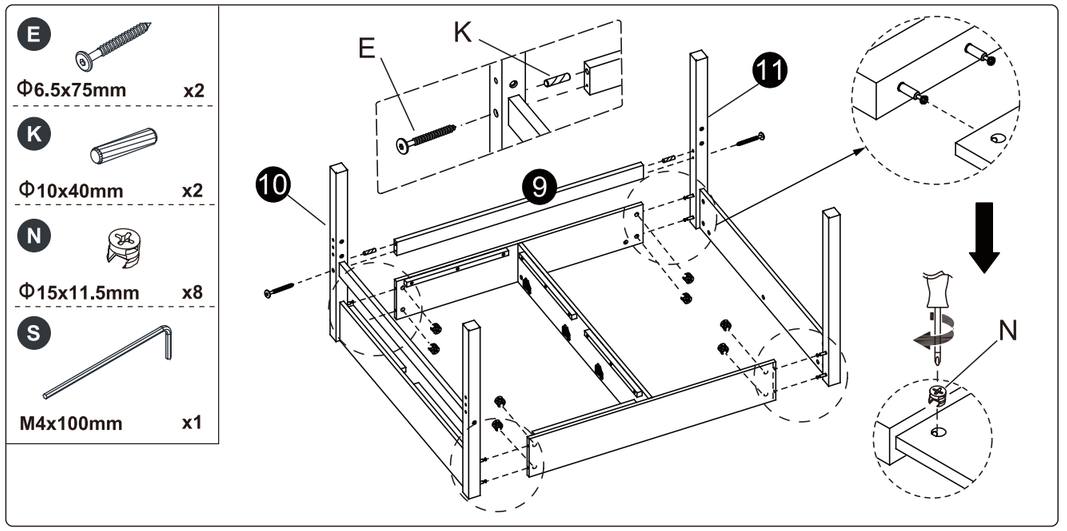

Attach Rail (4) between Legs (11 & 13) using Nuts (N) as shown, and tighten securely.

Step 4 Headboard Section

Attach Side Rails (5 & 6) to the Center Support Panel (7) using Nuts (N) and tighten securely.

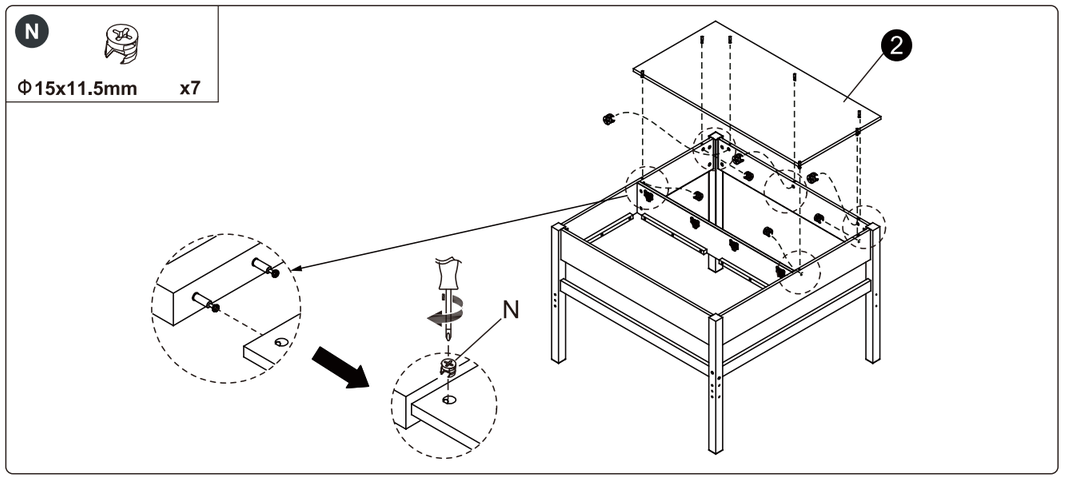

Step 5 Headboard Section

Note:
Turn the frame upside down to make it easier to attach the parts.

Align Support Rail (9) into Side Leg (10 & 11) with Dowel (K), secure using Screw (E), but do not fully tighten yet. Once both ends are aligned, insert Nuts (N) into the holes and tighten with the Allen Key (S) as illustrated.

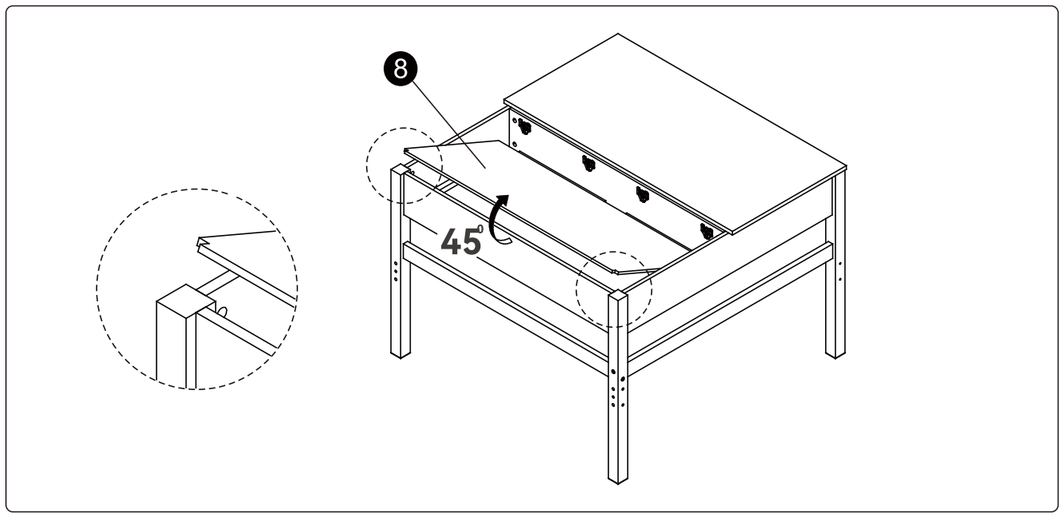

Step 6 Headboard Section

Place the Top Panel (2) onto the frame, align the holes, insert the Nuts (N), and tighten them securely.

Note:
You will need to access the underside of the cabinet to tighten the screws properly.

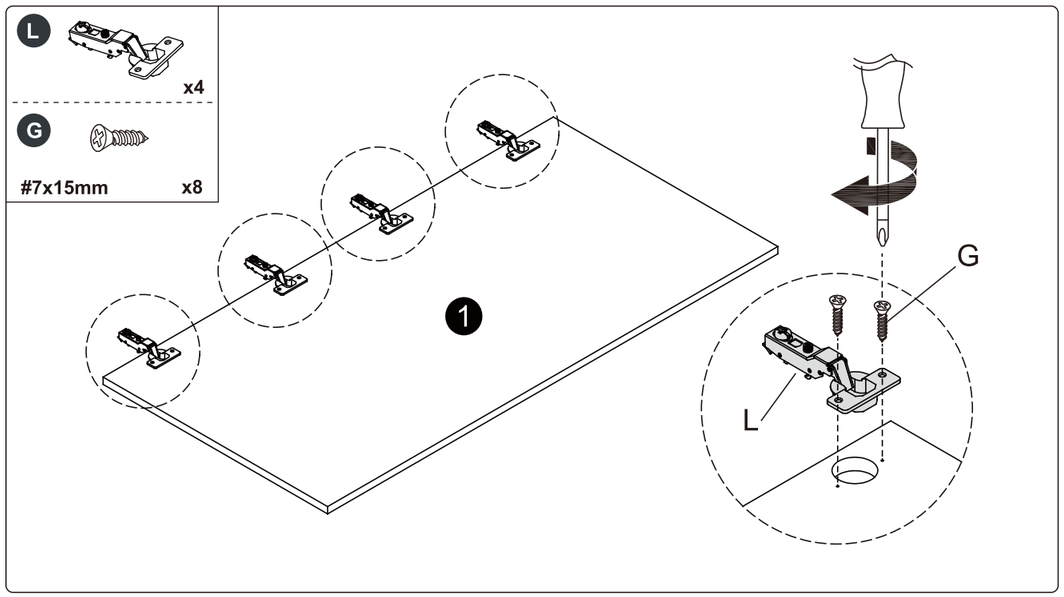

Step 7 Headboard Section

Insert the Bottom Panel (8) at a 45° angle and secure it firmly as shown.

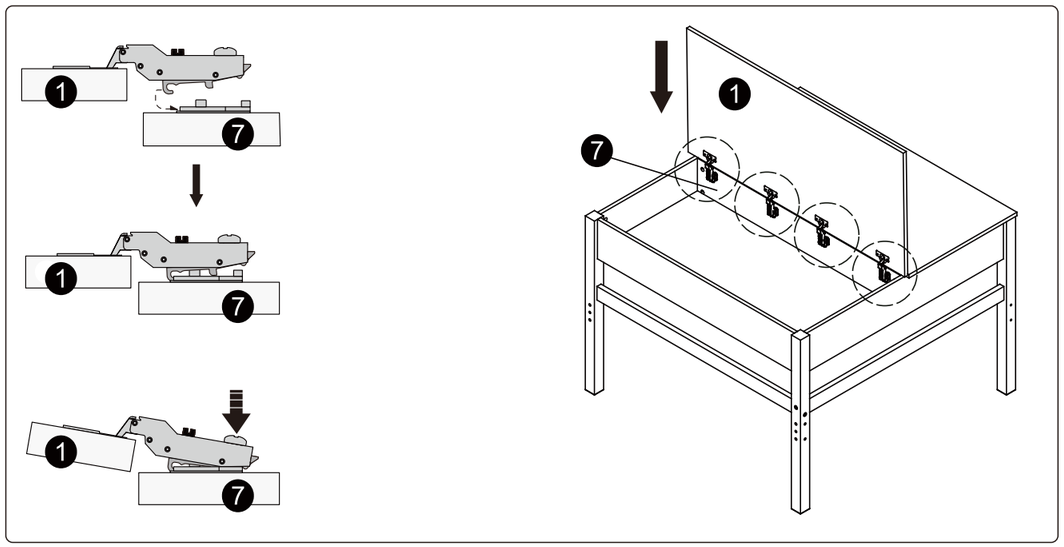

Note:
The notch of the bottom panel should tilt outward as shown in the illustration.

Step 8 Headboard Section

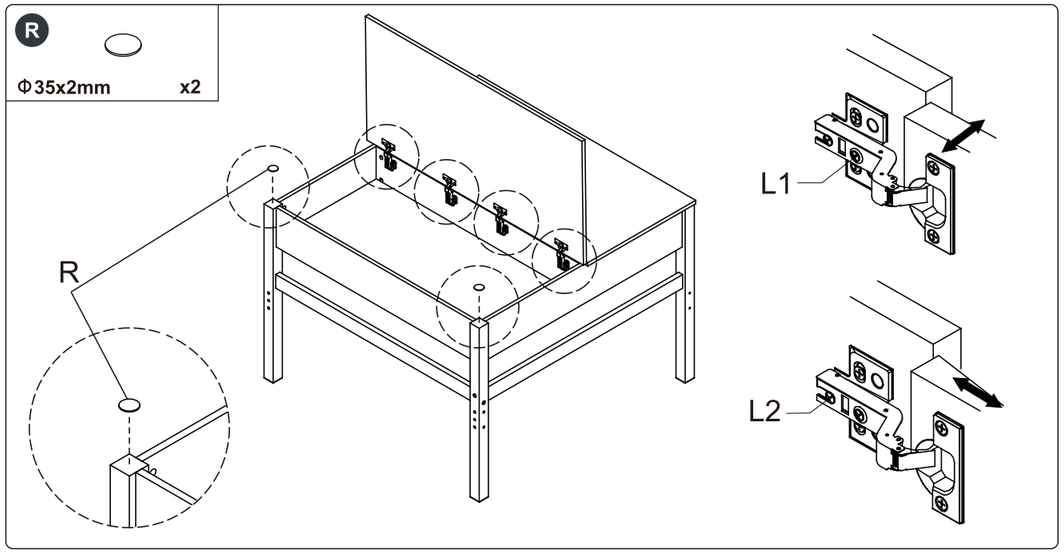

Attach four Hinges (L) to the Top Panel A (1) using Screws (G), and tighten securely.

Step 9 Headboard Section

Attach Top Panel A (1) to the headboard section by aligning and inserting the hinges into the brackets, then press down firmly to secure.

Step 10 Headboard Section

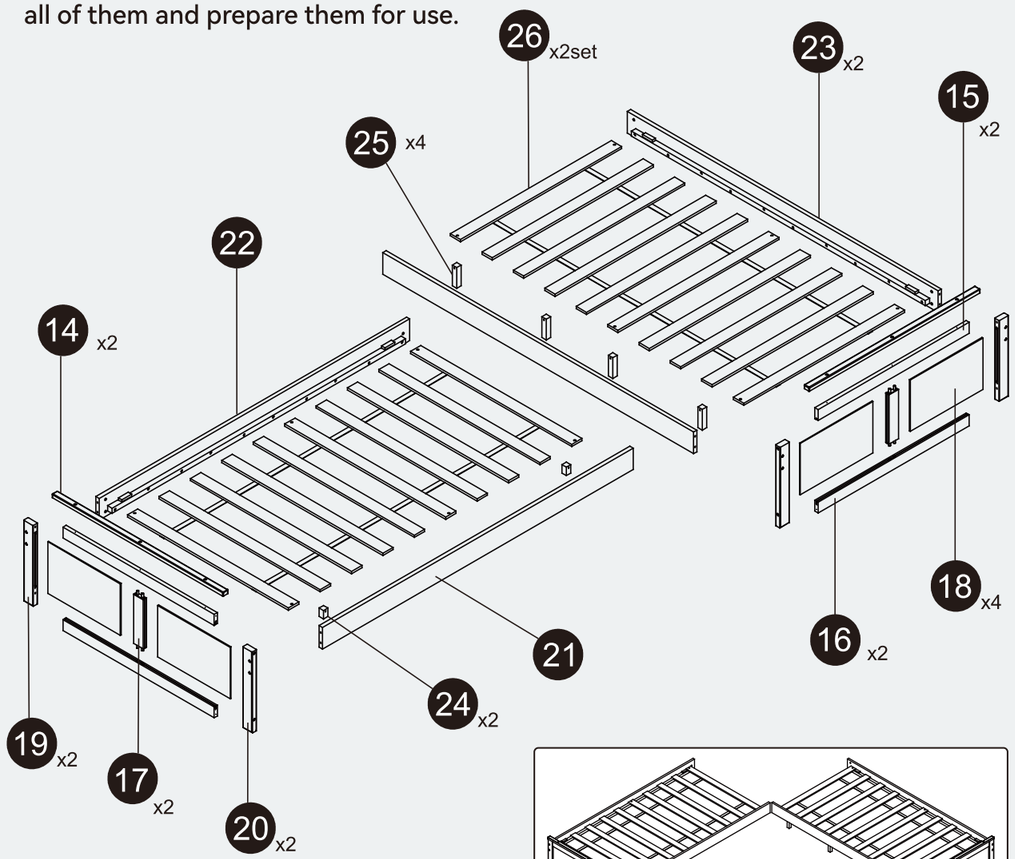

Hinge Adjustments: **L2: Depth adjustment**
L1: Side-to-side adjustment

Refer to the illustration for adjusting the cabinet's side, depth, and lateral alignment. Finally, attach the Cover Cap (R) to reduce impact when closing the cabinet.

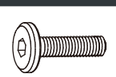

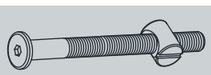

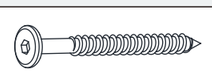

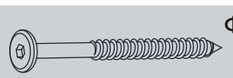

EN

Frame Parts Section Installation

The Frame Parts section assembly requires a total of 28 labeled panels shown in the diagram. Please locate all of them and prepare them for use.

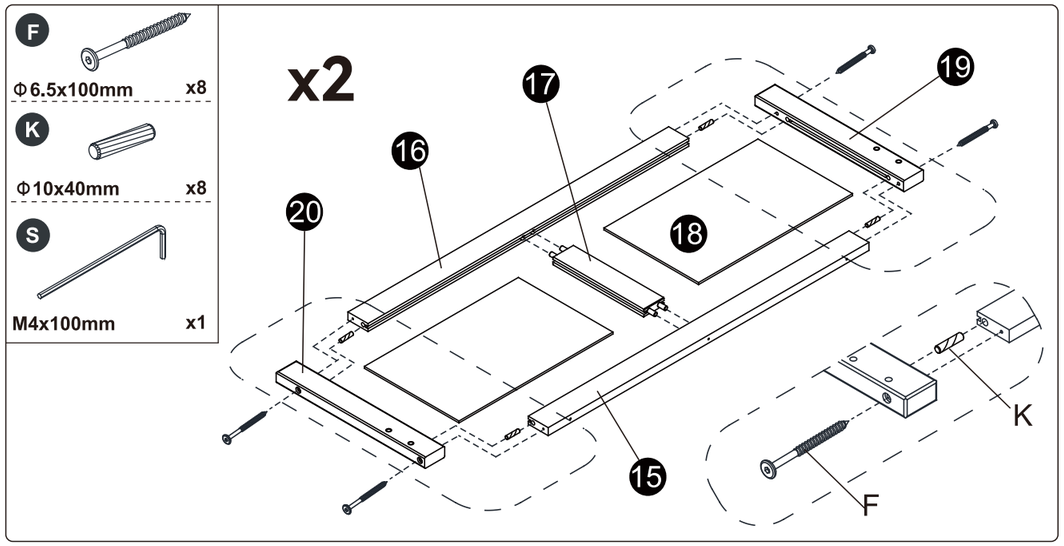

Hardware Accessory List

A		Φ5/16x38mm x6
B		Φ5/16x75mm x8
C		Φ5/16x90mm x6
D		Φ6.5x50mm x6
F		Φ6.5x100mm x8
H		#8x25mm x12
K		Φ10x40mm x12

EN

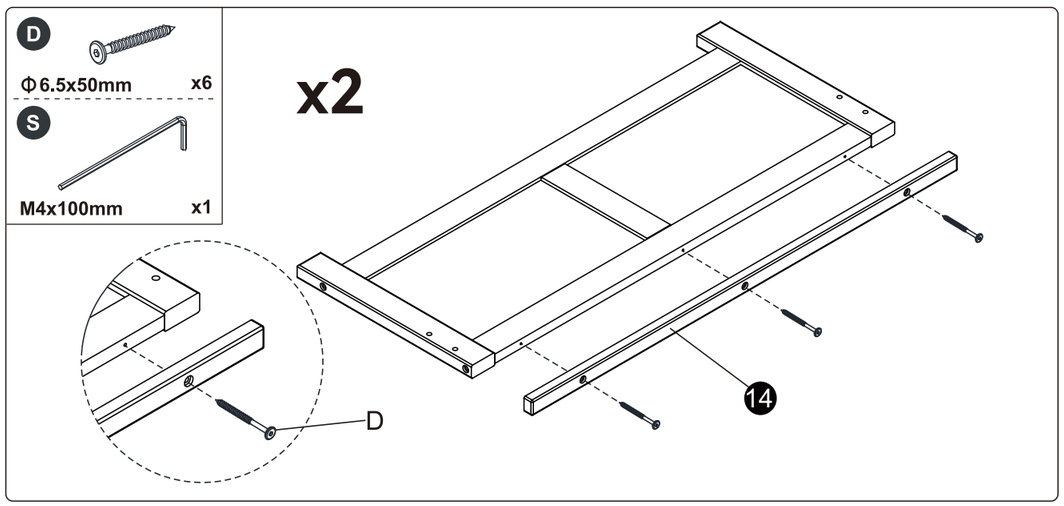

Step 11 — Frame Parts Section

1. Insert the two Footboard Crossbars (15 & 16) into the Footboard Connector (17).
2. Slide the two Footboards (18) onto the assembled connector and crossbars.
3. Install the Left Leg (19) and Right Leg (20) using Dowel (K) and Bolt (F); align all parts carefully and tighten as shown.

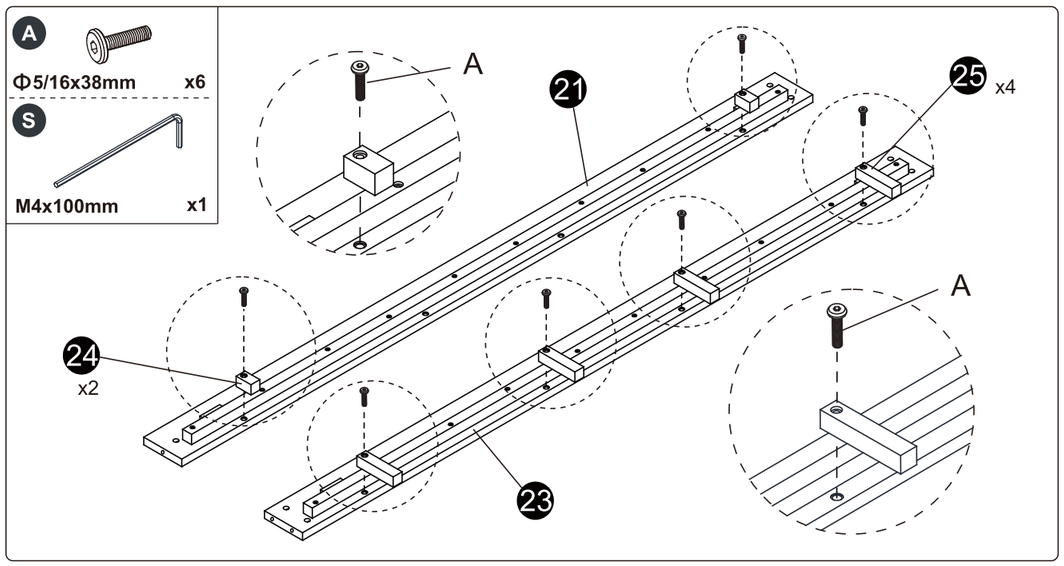

Note: Keep the bolts slightly loose until all parts are properly aligned, then fully tighten them.

Step 12 — Frame Parts Section

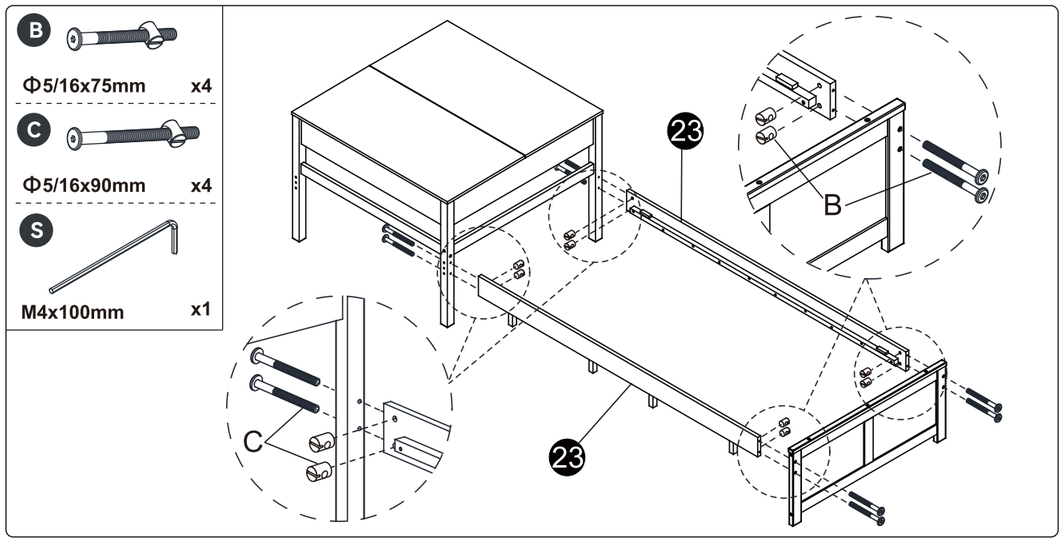

Attach the Footboard Crossbar Top (14) to the frame using Screws (D) as shown, and repeat the process for both frame assemblies.

Step 13 Frame Parts Section

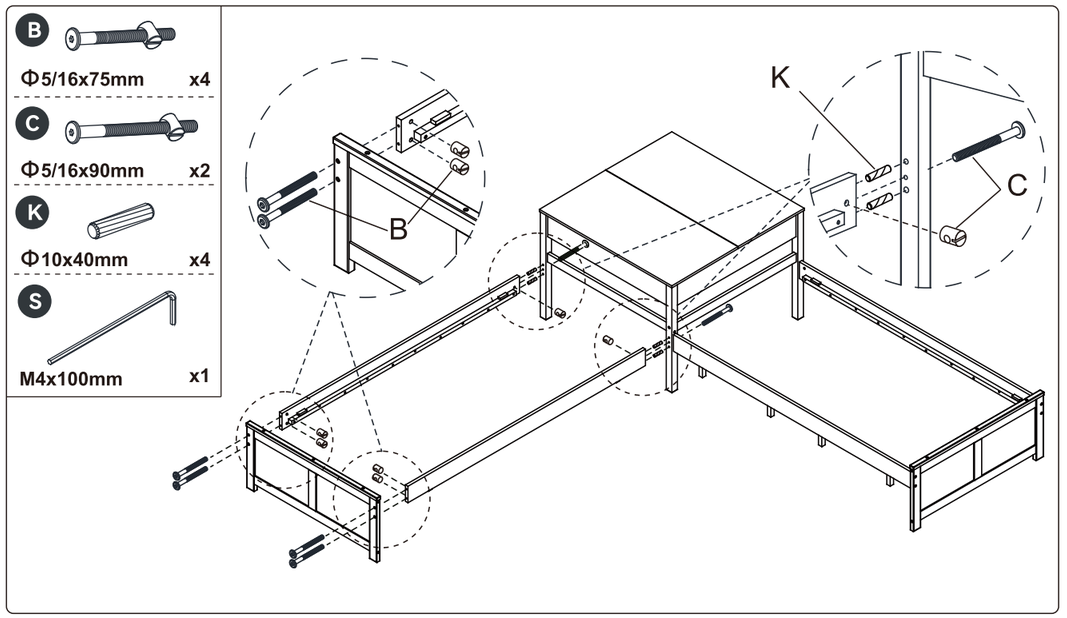

Install two Trundle Stoppers (24) on one side of the Side Rail (21) and four Drawer Stoppers (25) on one Side Rail (23) using Bolts (A), then tighten them with the Wrench (S).

Step 14 Frame Parts Section

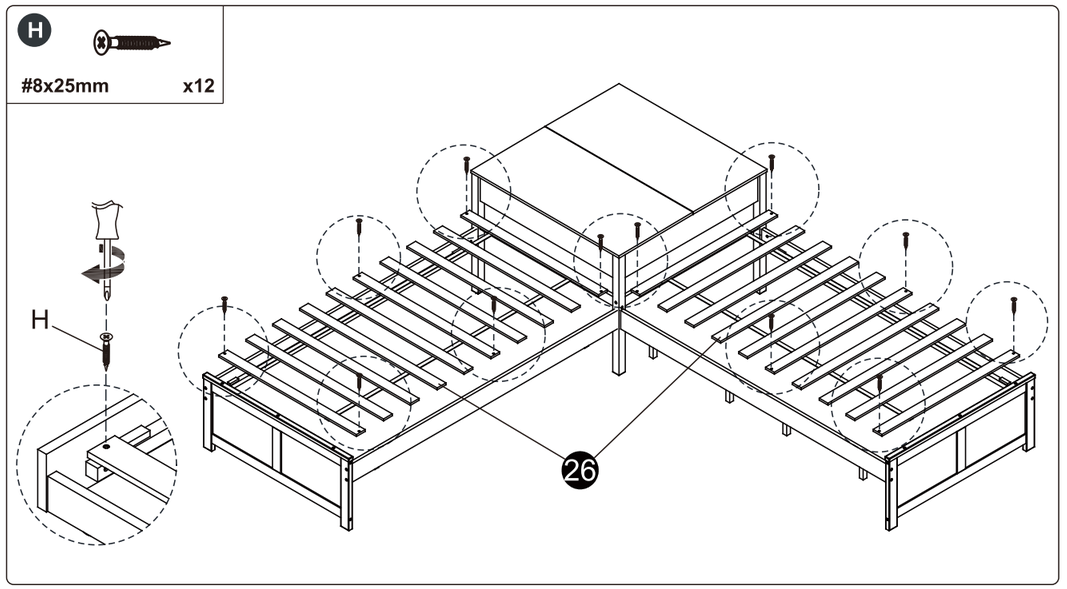

Insert the JCB Bolts (B & C) into the holes along the headboard assembly (from the previous section) and footboard assembly (from Step 12). Turn clockwise to tighten. Place each end of the side rails onto the barrel nuts as shown in the illustration, and secure with the Wrench (S).

Step 15 Frame Parts Section

Repeat Step 14 to assemble the other side of the bed.

Step 16 Frame Parts Section

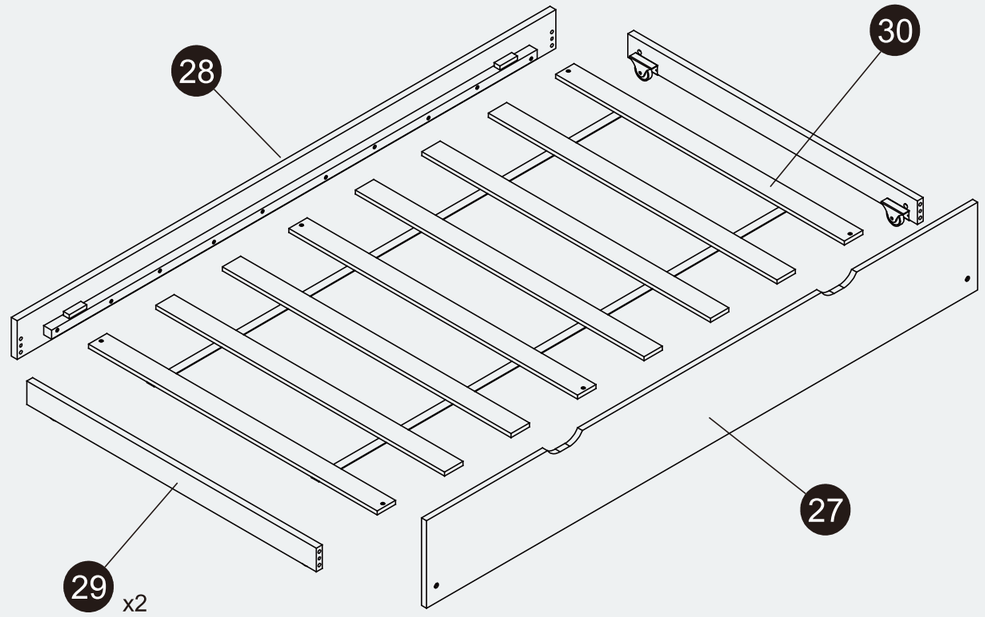

Place the Slat Kit (26) onto the side rails, then insert the Bolt (H) into each end to secure it.

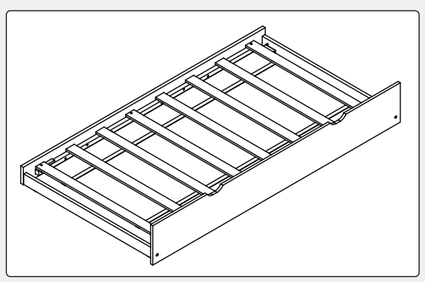

EN

EN

Trundle Bed Section Installation

The trundle bed section assembly requires a total of 5 labeled panels shown in the diagram. Please locate all of them and prepare them for use.

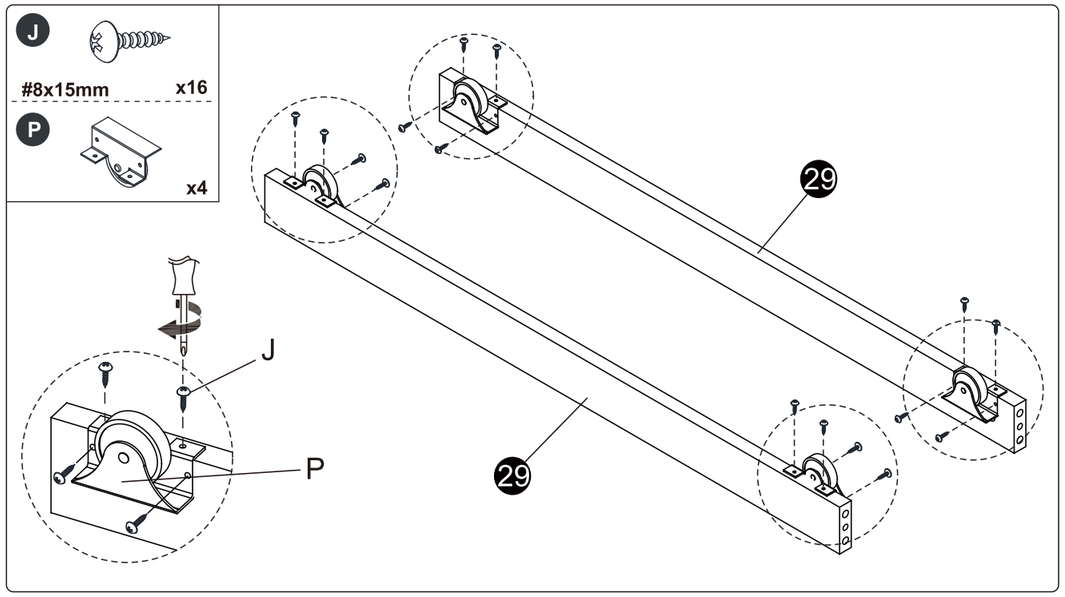

Hardware Accessory List

B	Φ5/16x75mm	x4
H	#8x25mm	x6
J	#8x15mm	x16

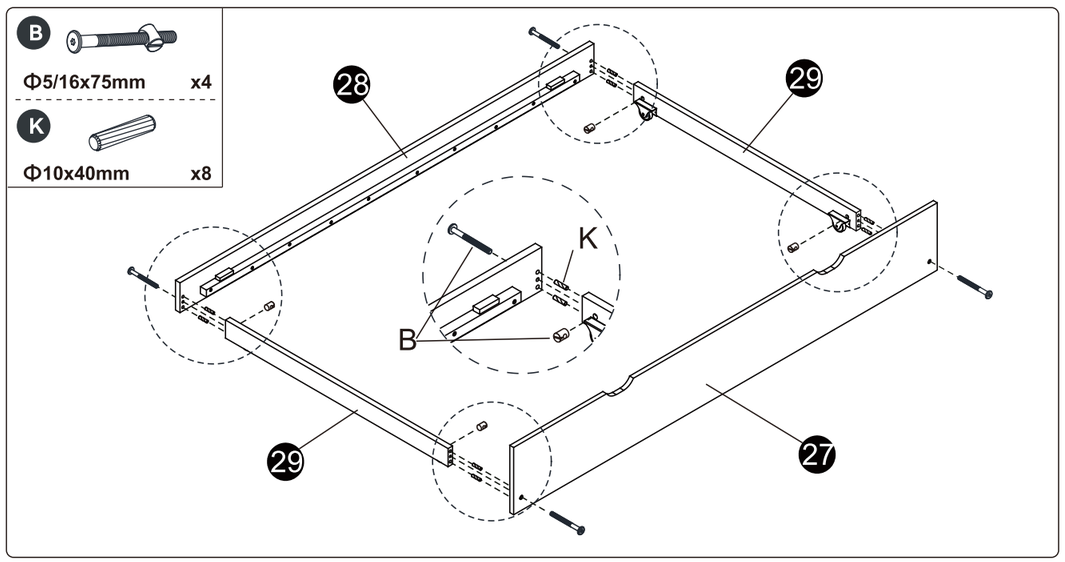

K	Φ10x40mm	x8
P		x4

Step 17 — Trundle Bed Section

Attach four Casters (P) to the ends of both Trundle Side Rails (29) using Screws (J) and tighten fully.

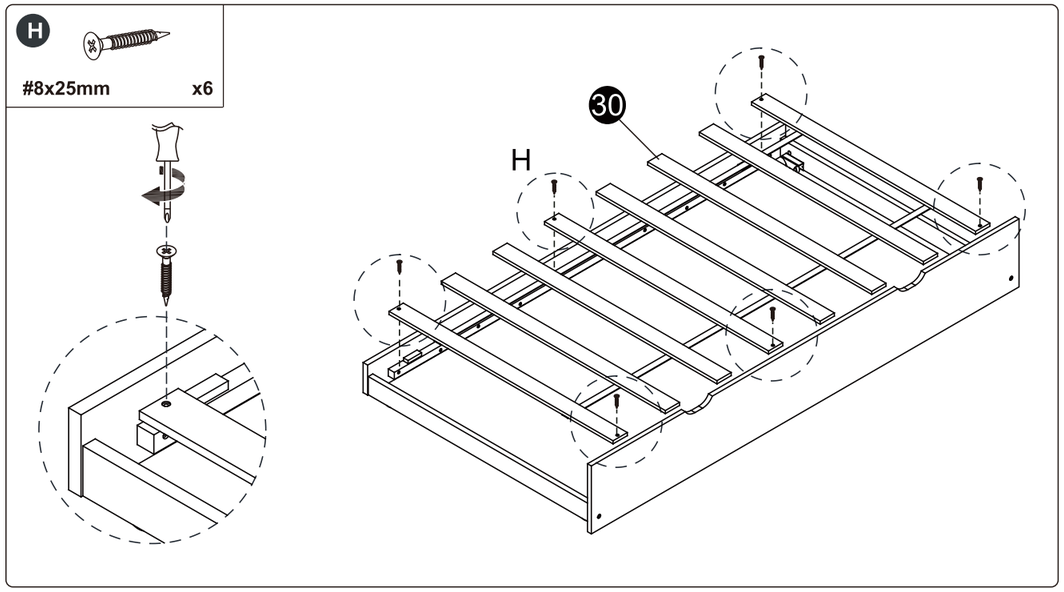

Step 18 — Trundle Bed Section

Attach the Trundle Side Rails (29) to the Trundle Front and Back Panels (27 & 28) using Dowels (K) and JCB Bolts (B). Insert the JCB Bolts into the holes and tighten them clockwise into the barrel nuts as shown.

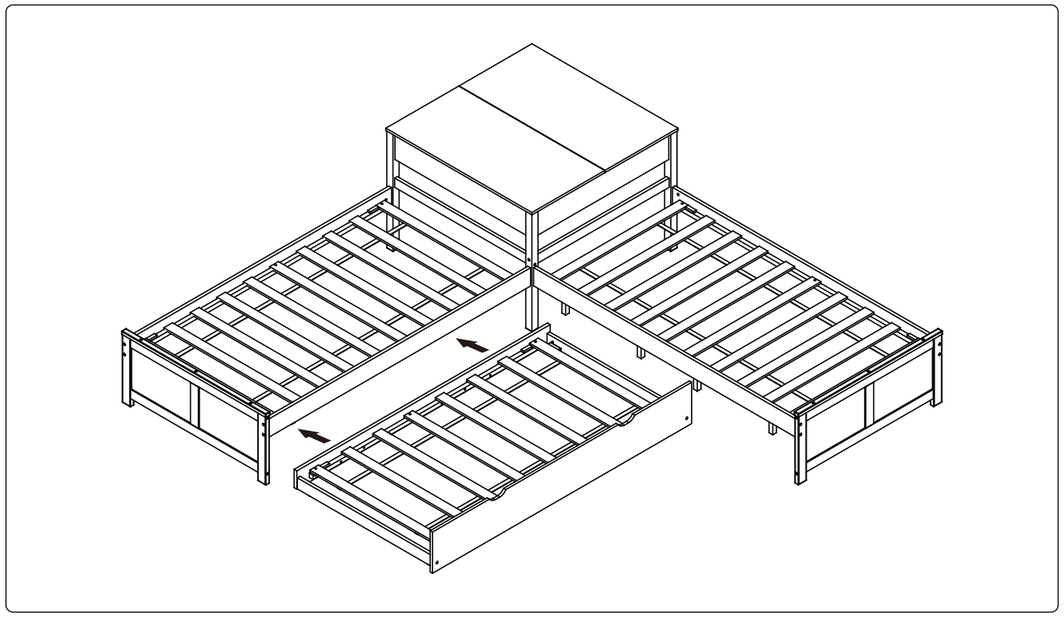

EN

Step 19 Trundle Bed Section

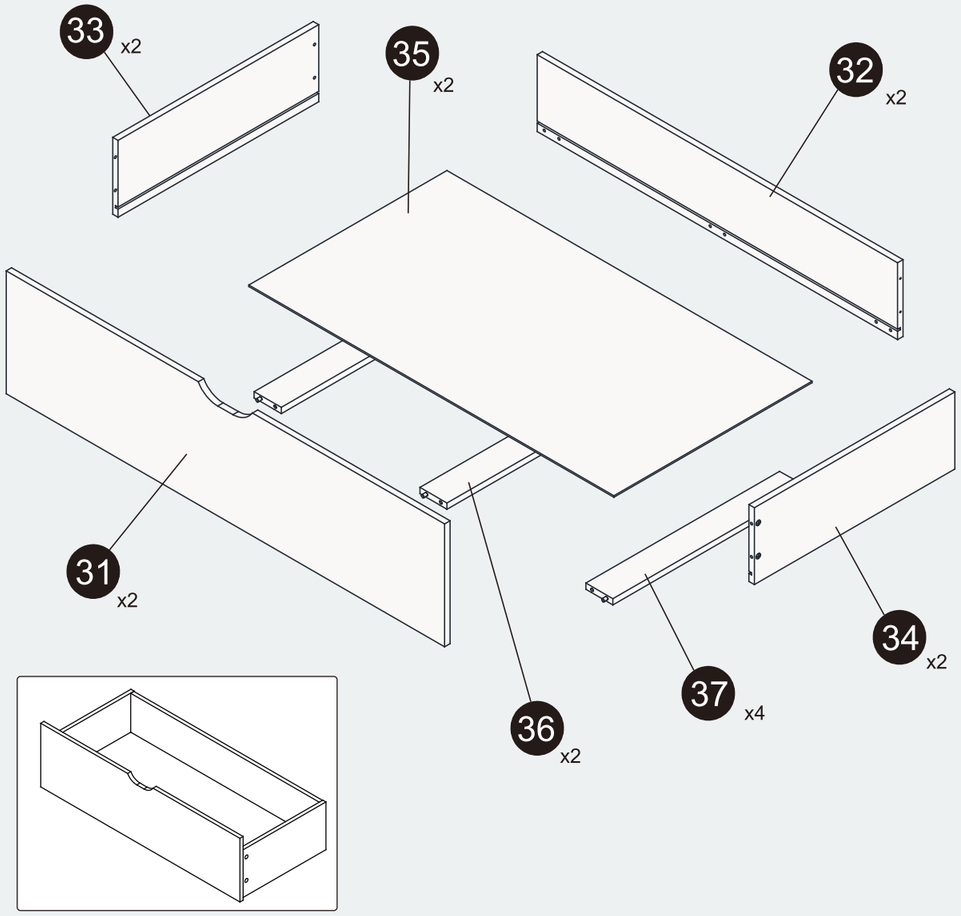

Place the Slat Kit (30) onto the side rails and insert the Bolt (H) into each end to secure it.

Step 20 Trundle Bed Section

Slide the trundle bed frame under the main bed as shown in the illustration.

Drawer Section Installation

Hardware Accessory List

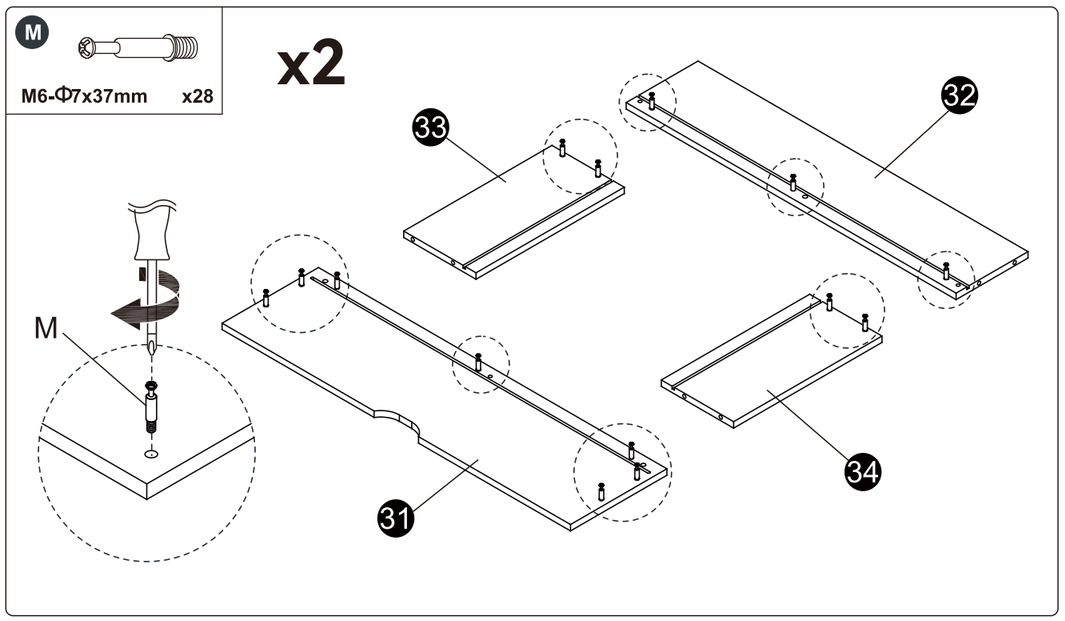

I		#7x15mm x16
M		M6-Φ7x37mm x28
N		Φ15x11.5mm x28
O		Φ25xH30mm x8

The drawer section assembly requires a total of 16 labeled panels shown in the diagram. Please locate all of them and prepare them for use.

Note :

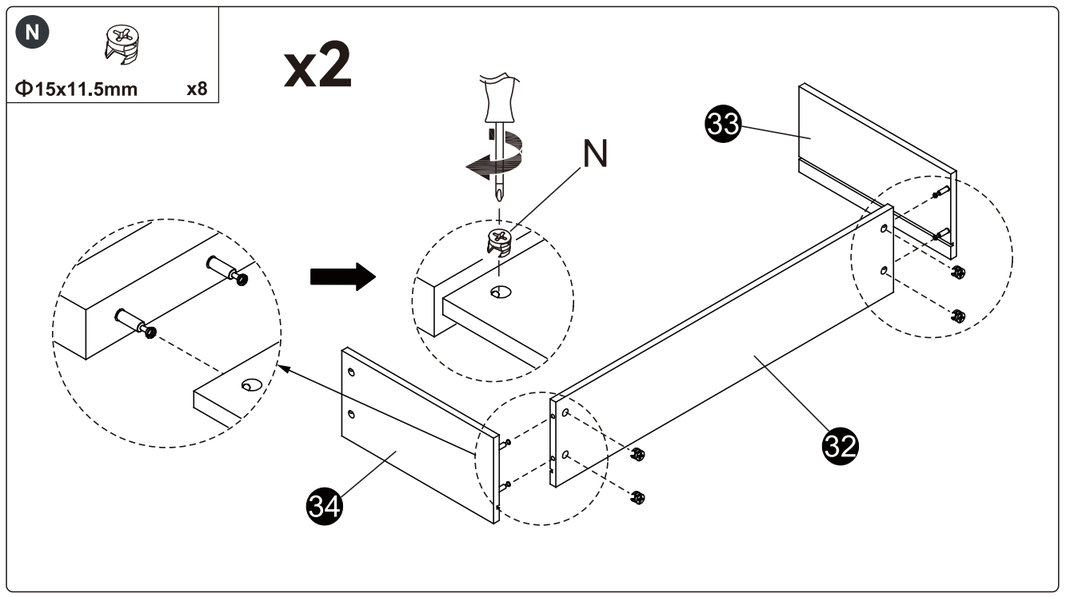

Before beginning assembly, please verify that all hardware components are included. If any parts are missing or damaged, contact customer service immediately for a replacement.

Step 21 Drawer Section

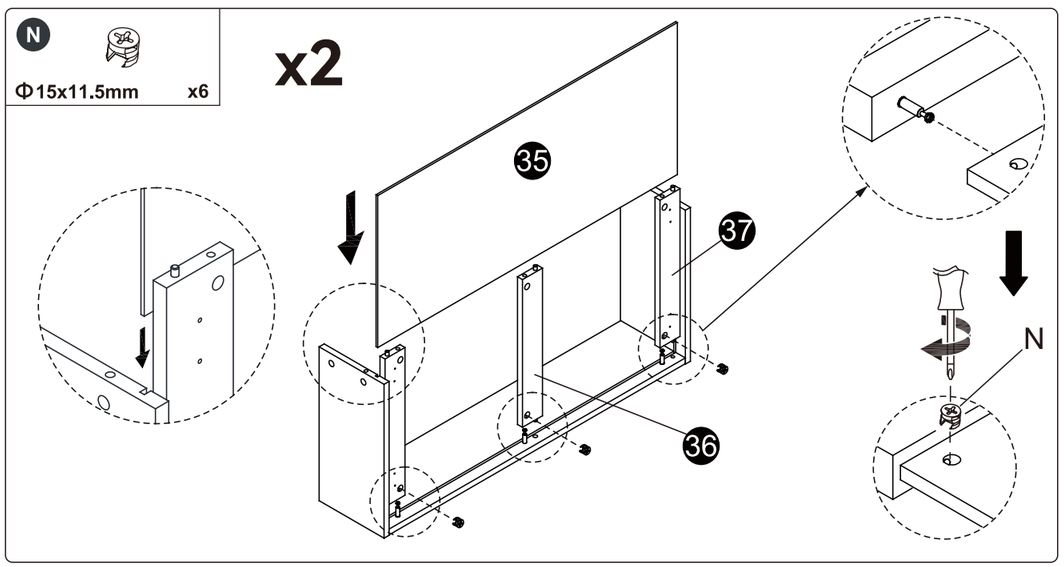

Insert the CamLock (M) into the panels as illustrated.

Step 22 Drawer Section

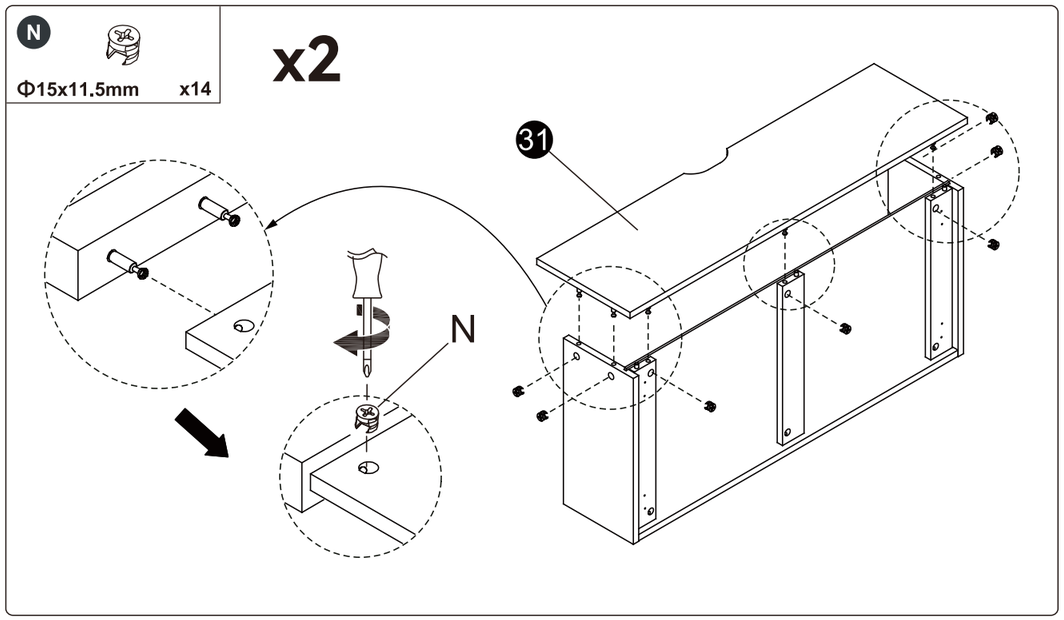

Connect the Drawer Sides (33, 34) to the Back Panel (32) and secure tightly with the Nut (N).

Step 23 Drawer Section

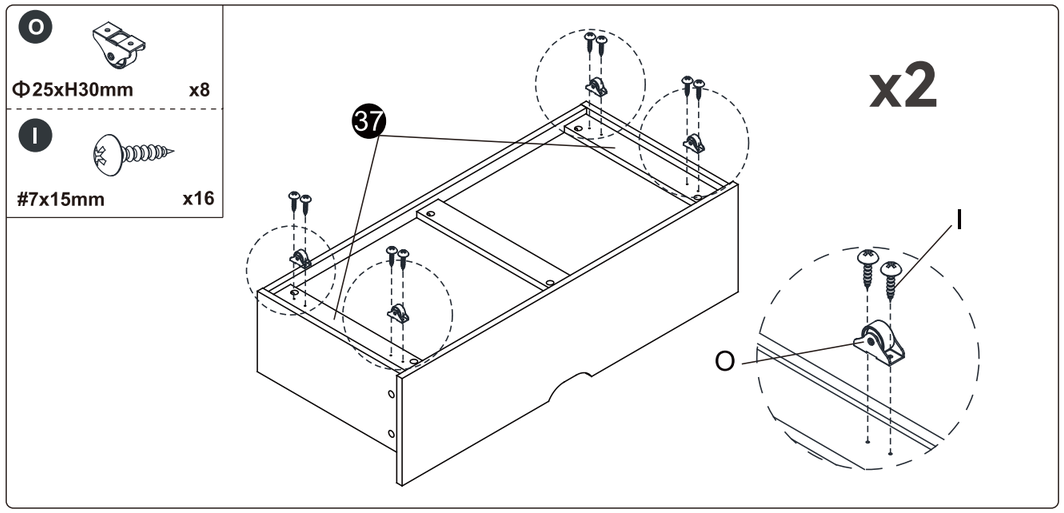

Attach two Bottom Rails (37) and the Center Bottom Rail (36) to the holes on the Drawer Back, then slide the Drawer Bottom (35) into the assembled section (from Step 22) as shown.

Step 24 Drawer Section

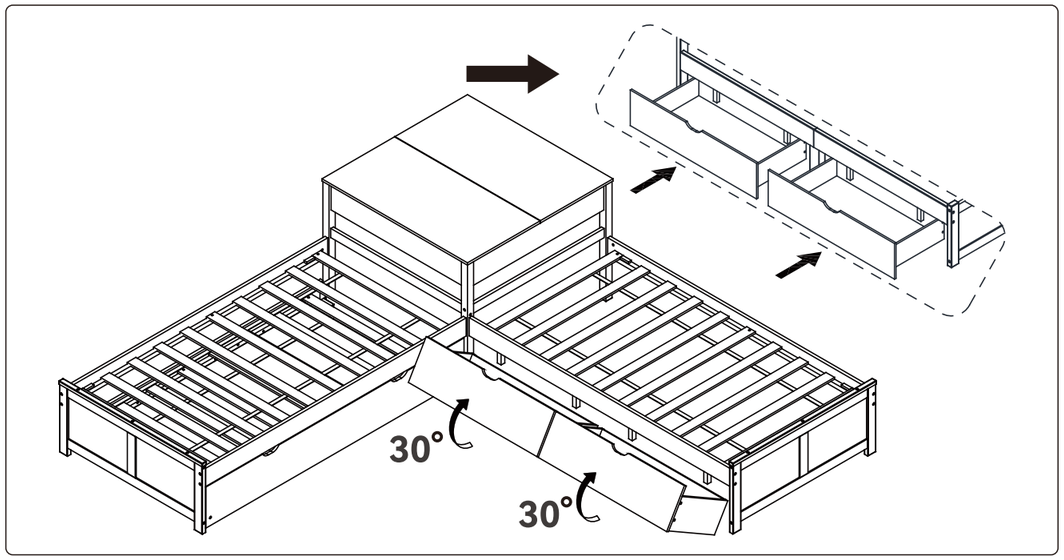

Attach the Drawer Front to the assembly from Step 23 and secure it with the Nut (N).

Step 25 Drawer Section

Install four Caster Wheels (O) onto the Bottom Rails (37) using Screws (I), as illustrated.

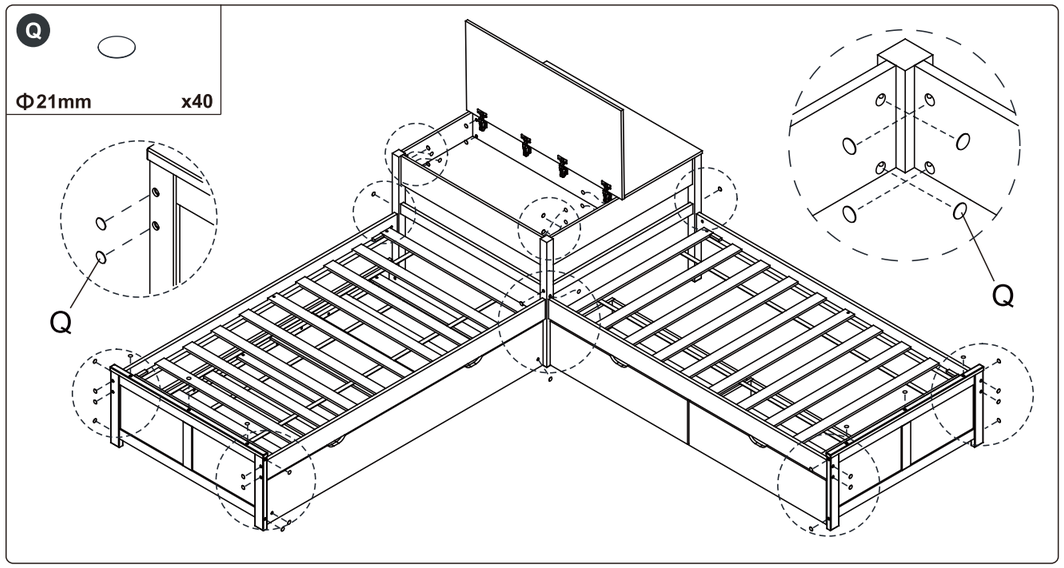

Step 26 Drawer Section

Tilt the drawer at a 30-degree angle to insert it under one side of the bed frame, then gently push it inward.

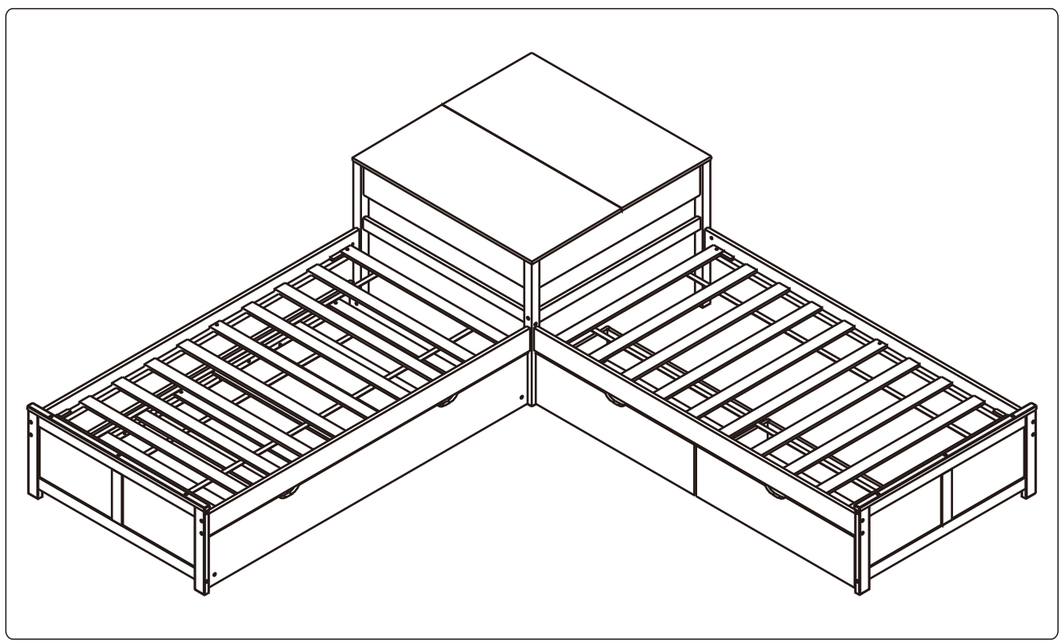

Note: The trundle bed and storage drawers can be repositioned as needed. When changing their positions, make sure to also switch parts (24) and (25) accordingly for better stability.

Step 27 Drawer Section

Cover any visible bolt holes with the Sticker Covers (Q).

Note: Ensure all components are properly aligned and securely fitted. Tighten all screws & bolts securely to complete the assembly!

ASSEMBLY IS COMPLETED!
