FULL MOTION PILLAR MONITOR MOUNT

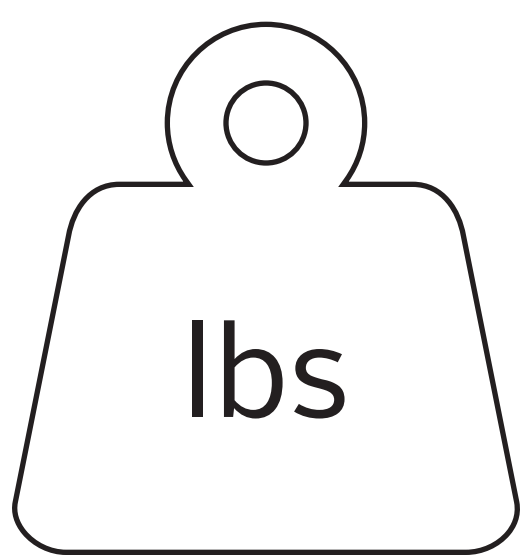

A revolutionary monitor mount designed for ultimate convenience and flexibility. With its innovative SLOTGRIP TECHNOLOGY, this full-motion mount offers a no-drill solution, securing your monitor with a heavy-duty polymer strap without leaving any marks. The safe and secure 360-degree full motion movement allows you to position your monitor in landscape or portrait mode.

Despite its space-saving design, it does not compromise the structural integrity of the constructional column. The rubber and polymer padding ensure a firm grip while preventing any damage. With it's sleek black finish, this monitor mount combines style with strength, boasting a strap with a break strength of 4500lbs. Upgrade your workspace with this versatile, durable, and aesthetically pleasing drill-free monitor mounting solution on the market.
