PRODUCT DESCRIPTION

Classic retro style, simple yet detailed. The overall silhouette is simple with smooth lines. The warm contrast between the upholstery and dark brown wooden legs, combined with diamond quilting and vintage rivets, creates a nostalgic yet modernly elegant home ambiance.

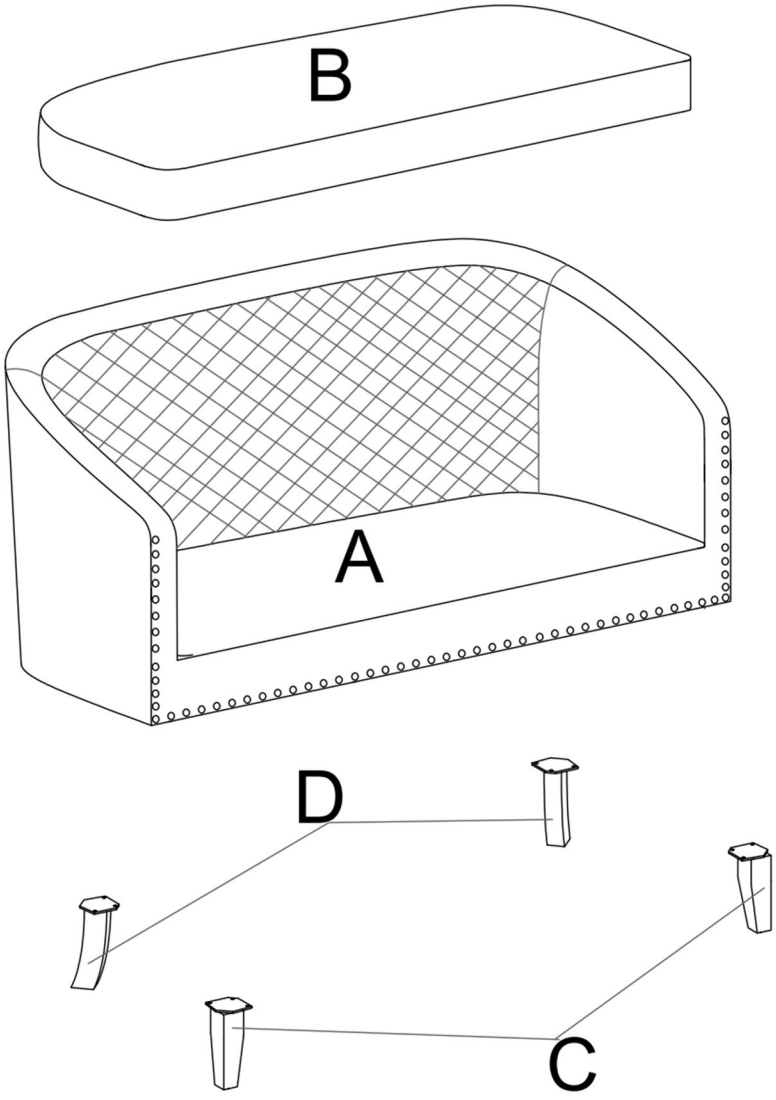

Premium Faux Leather. Offers a leather-like fine texture and luster, with standout advantages of being wear-resistant, scratch-resistant, and easy to clean. Contains no animal products, making it more eco-friendly and cost-effective, with simple daily upkeep.

Solid wood internal frame + solid wood legs. The sturdy wood frame ensures overall stability, load-bearing capacity, and longevity. The four square, robust wooden legs provide stable support, their dark brown hue harmonizing with the seat.

1. Button tufting on back: Creates dimensional diamond quilting, retro and refined, securing the filling.
2. Brass-tone rivet detailing: Neatly arranged on the apron and armrests, serves as an accent, enhancing the retro-industrial vibe and overall texture and craftsmanship.

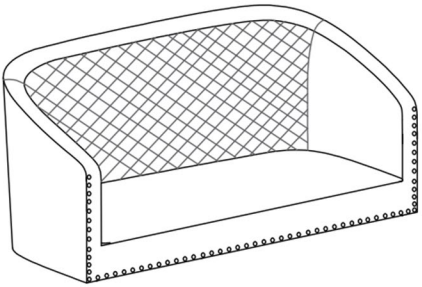

Velcro design under seat cushion. The cushion is securely fastened to the base via velcro, effectively preventing slippage or displacement during use, maintaining a neat, tidy appearance.
