

Topper

Follow these steps to enjoy your topper:

- 1 Unbox your new Topper and place it in the location you want it to expand.
- 2 Carefully remove the plastic packaging, being cautious not to cut the Topper with scissors.
- 3 Place Topper on a flat surface in a shaded, well-ventilated area and allow it to fully expand **for 48 hours** before use.
- 4 Place it on your bed.

NOTE

- 1 Due to the unique properties of memory foam, dimensions after expansion may vary, which is normal and will not affect the performance of the Topper.
- 2 The new Topper may have a slight odor after unpacking, it is completely harmless and will dissipate quickly with proper ventilation.
- 3 Discoloration may occur over time due to oxidation. This is a natural process and does not affect the Topper's performance.
