

Kids' Bookshelf

USER MANUAL

Contact Us

We sincerely thank you for choosing our product. It has been meticulously designed to ensure your satisfaction. If you are pleased with your new purchase, we invite you to share your feedback. Your experience is of great importance to us.

We are committed to providing exceptional customer service. Should you encounter any issues or have concerns, please feel free to contact us through our platform. Our dedicated team will promptly address your inquiries and offer assistance.

WARNING

• Tip-over Hazard:

- The bookshelf must be securely anchored to the wall using the included anti-tip brackets.
- Failure to install or secure properly may result in death or serious injury.

• Prohibited Actions:

- Climbing, hanging items (e.g., toys heavier than 2kg).
- Placement near heat sources/humid environments (radiators, humidifiers, etc.)

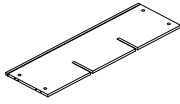

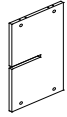

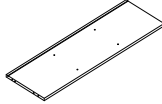

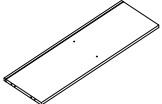

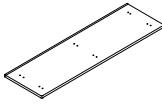

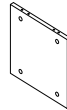

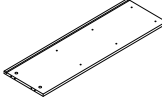

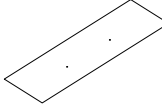

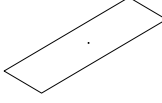

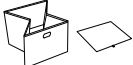

• Usage Conditions:

- Age restriction: For children aged 3+ only, under adult supervision.
- Must be assembled by an adult. Ensure all components are firmly tightened after assembly.
- Ambient humidity: Maintain below 70% to prevent warping of MDF (Medium-Density Fiberboard).

• Maintenance Responsibilities:

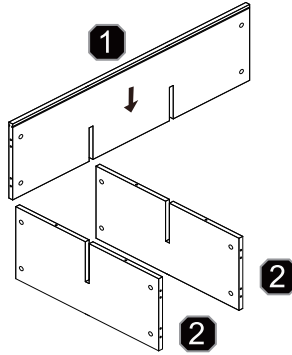

- Inspect and tighten wall anchors every 6 months.
- Discontinue use immediately if boards show warping, cracking, or hardware corrosion.

Installation Instructions

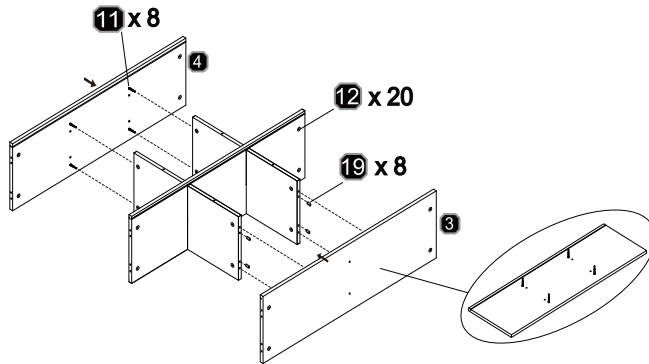

1

1. Assemble Shelves

Interlock Layer Board ① with two Partition Boards ②.

2

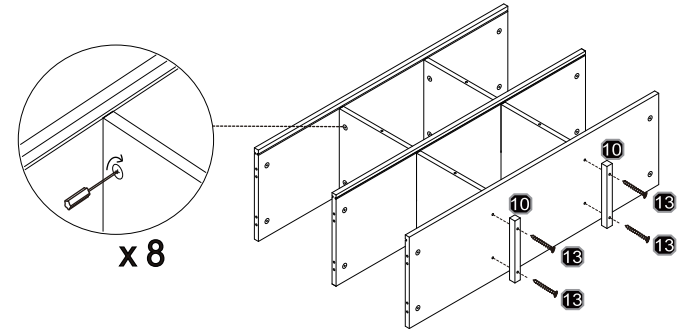

2. Secure Structural Components

-Screw in the screw rods ⑪ ⑰ × 8 at the positions indicated on the drawing for plates ③ and ④, then connect and secure them to plate ②.

-Secure all boards ①, ②, ③, and ④ with fittings ⑫ × 20 at corresponding pre-drilled holes.

Installation Instructions

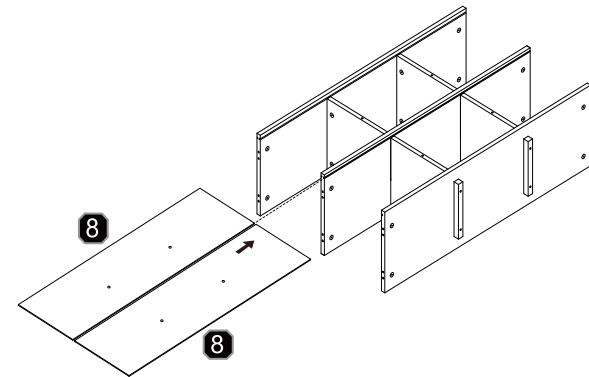

3

3. Install Support Brackets

Attach Support Component ⑩ × 2 to Layer Board ③, then tighten with screws ⑬ × 4 as shown in the diagram.

4

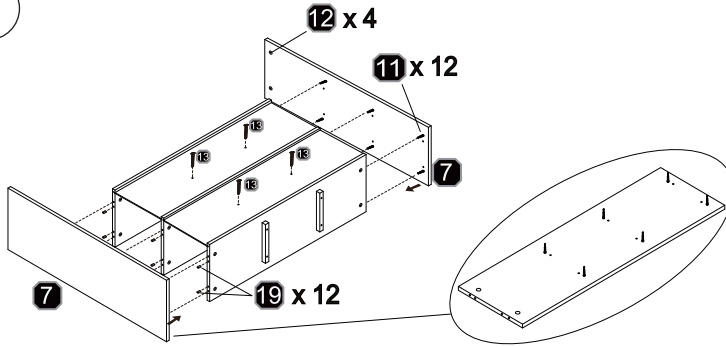

4. Mount Back Panels

Insert two Back Panels ⑧ into the grooves of the horizontal boards to lock them in place.

Installation Instructions

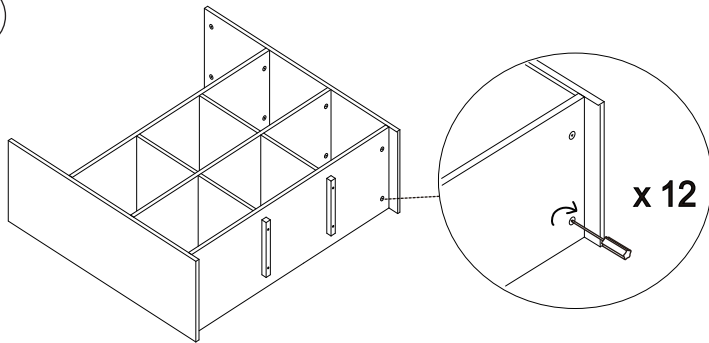

5

5. Secure Back Panel and Side Panels

- Insert screws ⑬ x 4 to fix Back Panel ⑧ to all shelf partitions.
- Screw in the screw rod ⑪ x 12 at the corresponding positions on the two side plates ⑦.
- Insert the rod ⑲ x 12 into the positions indicated on the layer plates ①, ③, and ④, then connect and secure the layer plates to the side plates.
- Install the bolt ⑫ x 4 into the positions shown on the side plates.

6

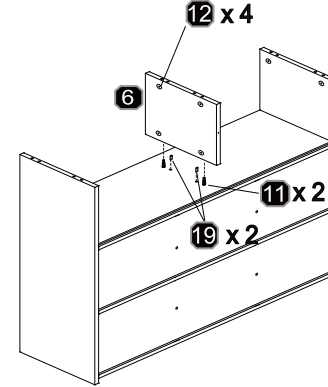

6. Reinforce Side Panels

- As shown in the diagram, flip the cabinet over.
- Tighten the bolts ⑫ on the layer plates to ensure a secure connection between the side plates and layer plates.

Installation Instructions

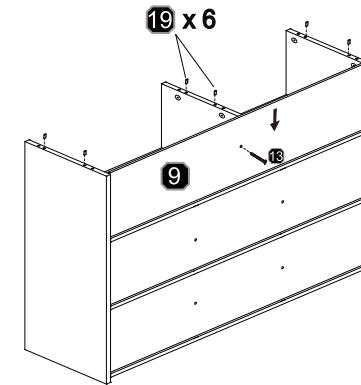

7

7. Install Partition and Reinforce

- As shown in the diagram, secure the screw rod ⑪ into the designated position on the partition plate ⑥.
- Insert the rod ⑲ x 2 into the layer plate ④, then fix the partition plate ⑥ onto the layer plate ④.
- Tighten the bolts ⑫ at all marked positions on the partition plate ⑥ to ensure a rigid assembly.

8

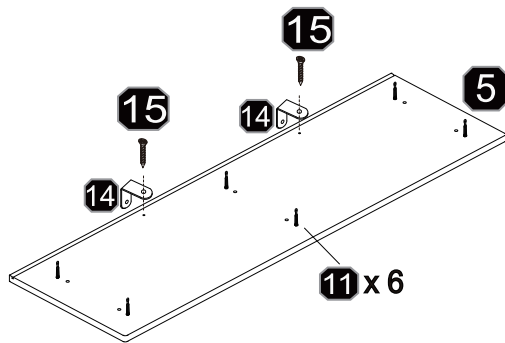

8. Mount Top Back Panel

- Insert Back Panel ⑨ into the shelf grooves, then tighten screws ⑬ to secure.
- Insert the rod ⑲ x 6 into the positions shown on the cabinet.

Installation Instructions

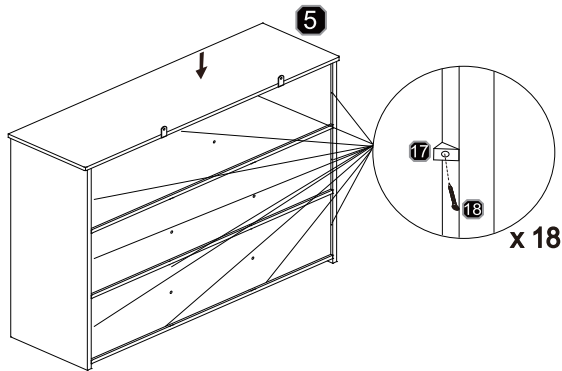

9

9. Install Anti-tip Components on Top Board

- Insert threaded rods ⑪×6 into Top Board ⑤.
- Secure two Anti-tip Brackets ⑭ to Top Board ⑤ using screws ⑮ .

10

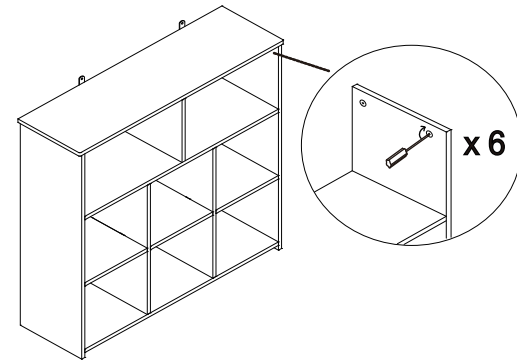

10. Mount Top Board and Reinforce Back Panel

- Insert the top plate ⑤ into the cabinet by threading the screw rod ⑪ and rod ⑲ through the designated positions.
- As shown in the diagram, tighten the fasteners ⑰⑱ at all 18 marked positions on the backplate (6 per layer) to reinforce the stability between the backplate and the cabinet.

Installation Instructions

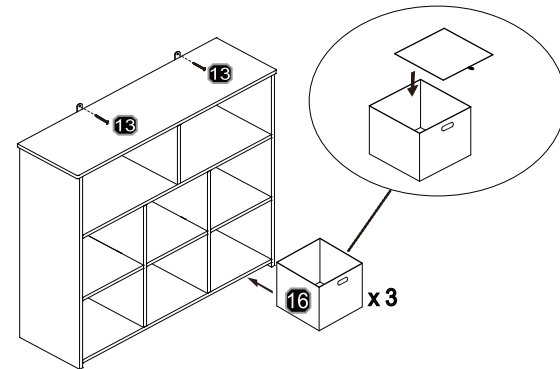

11

11. Secure Top Board Connections

- Tighten bolts ⑫×6 at the joints between Top Board ⑤ and the cabinet for a rigid fit.

12

12. Attach Fabric Storage Units

- Unfold three Fabric Bins ⑯ and place them into the cabinet as desired. Installation is now complete.
