

#5 ELECTRIC GRINDER

- 400 Watt Motor with Rocker Control and Reverse functions
- #5 Grinding Head with Cutting Blade & Medium Grinding Plate
- Large capacity Hopper and convenient Carrying Handle design
- Includes Food Pusher and Sausage Stuffing Attachments
- Grinds up to 2 pounds per minute

The CHARD #5 Electric Grinder is perfect for making burgers, brats and sausages. The 400 Watt motor and large capacity hopper allow you to grind generous portions of meat in a short amount of time, quickly and efficiently. The reverse auger function helps to prevent jamming and ensures continuous use. The heavy duty cutting blade and medium grinding plate can process up to 2 pounds of meat per minute. The hopper and grinder head assembly are removable for easy clean up. Includes one sausage stuffing tube and two stuffing plate attachments.

SKU: FG500
